

Institute of International Education (IIE) Global Experience and Training (GET) 2016 Fee Disclosure

GET Opportunity Cost

The total expected cost for a GET opportunity will vary based on each opportunity's length and location. An average eight-week opportunity may range from \$5,000 — \$10,000

Cost Breakdown

The total cost of a GET opportunity includes the following:

- Housing
- Meal plans (typically 21 meals per week for the duration of the opportunity)
- Required minimum credits of tuition for participation
- J-1 visa compliant health insurance
- Orientation and cultural activities through the program
- *IIE Administrative Fee (see below)
- Other opportunity-related expenses (if applicable) such as laboratory fees, research materials, round-trip transportation for field trips and site visits, etc.

*IIE Administrative Fee

IIE's Administrative Fee is included in the GET opportunity cost and includes the following:

- J-1 Visa sponsorship and Form DS-2019 issuance
(*this does not include the I-901 SEVIS fee or other fees that may be incurred when applying for the J-1 visa)
- 24-hour emergency support throughout the entire program
- Payment management
- All other administrative costs, including a pre-departure orientation and participant support throughout the entire program
