

MISSION POSSIBLE

The Blind See And The Lame Walk

“The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord’s favor.” Luke 4:18-19

For this reason, Jesus came to the earth. Because of what He did, we too are on Jesus mission.

Medical Clinics Launch

By the grace of God, we have started serving the uninsured population of Aurora with free medical, vision, and orthopedic clinics. It only took a couple weeks for us to fill the schedules and waiting lists are forming now. We are always looking for medical supplies and mission minded medical professionals desiring to serve Jesus with their gifts. Let us know if you can help! Also, if you know of someone who is fully uninsured and has no other source of medical care, please refer them to our clinic by calling 630-801-0086. Our optometrists, doctors, nursing, and therapy staff are ready to serve the King!

Recovery Ministry Underway

Every day, there are many who come to work through various addictions and old patterns of behavior at Mission Possible. Some come for prayer, some for Bible study, some for mentoring or counseling, and some for fellowship and accountability. Ready to put your faith into action? Drop in anytime and help encourage someone, listen, pray, or play ping pong or dominoes with a brother in need. As this ministry grows rapidly, we need more who are willing to “just show up” and do what Jesus would do... demonstrate your love and His love by being a friend...no matter what.

Follow Us On Facebook

Did you know that you can read the entire story of God’s miraculous provision for Mission Possible on our blog at www.onjesusmission.org as well as on our Facebook timeline? Keep up with the latest happenings and needs by following our regular postings. Do you want to get a modern day glimpse of the Old Testament reference to God as “Jehovah Jireh?” Just take a quick read through our journey. Every time we turn around, “The Lord provides” yet another resource that unfolds before us. As we watch Him attend to our every need, He is teaching us to trust in Him more deeply.

Consider Supporting Us

Will you help us achieve our financial goal to be self sustaining by the end of 2012? With monthly expenses of roughly \$2200, we are 30% of the way to our goal thanks to several monthly donors. Will you join them in supporting the Lord’s work in downtown Aurora? Your partnership will allow us to provide facilities necessary for our missionary partners to continue to do their work. You can donate by sending a check, setting up a recurring credit card charge by contacting Linda at linda@onjesusmission.org, or going to our secure link at www.onjesusmission.org. Your prayers are welcome!

Dental Clinic Needs

Launching the dental clinic has been a seriously massive undertaking! However, after many weeks of nothing but prayer, God is certainly on the move. With a large donation of equipment from Dr. Jim Carney, a critical portable delivery unit passed on by a free dental clinic in Michigan, hours of labor donated by our friends at Christ Community Church and Martin Plumbing, and a whole host of critical financial support and supplies from a variety of sources, we inch closer to opening the much anticipated dental clinic. About \$5000 stands in the way of serving those already on our waiting list.

“But, in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But, do this with gentleness and respect.”

Christ: The Great Equalizer

Issue No 2 - Spring 2012

Meet Jeremiah Jones, a young man who came to us from Detroit. Raised Christian in the Grand Rapids area, Jeremiah took the prodigal road and lived the big city high-life for a decade. That is until the consequences of a godless life left him jobless, hopeless, empty inside, and reeling from the results of a voluntary slavery to heroin. Through Christ, his hard work at Wayside Cross and participation in the Mission Possible Redemption Groups, Jeremiah has a new identity... Child of God!

Meet Chris Lautz, who came to us from central Kentucky. We just call him "Country." Not from the big city, but a prodigal nonetheless. Also raised in a Christian home, Chris chased after every drug imaginable in pursuit of escape and a good time. Finally, when Chris found himself in jail for the last time, God "brought him to his senses." Today, Chris tells everyone that jail was the best thing for him because it brought him back to the foot of the cross. Also participating in Redemption Groups, Chris is a New Creation.

Big City meets Country: Like oil and water, you'd think they wouldn't mix, but Christ is the Great Equalizer. Jeremiah and Chris met in their hopelessness. Their sin and brokenness brought them to Aurora. Christ redeemed them, made them brothers, and best friends. It is the Spirit of the Lord that will lead them home. Gary has had the privilege to mentor both men while they completed their 6 month work rehab at Wayside Cross. As regular fixtures at Mission Possible, they are just some of the eternal fruit being harvested.
