

Holiday Toy Drive

To benefit *Lilliput Families*, a non-profit organization offering foster, adoption, and kinship support services

Dear Dental Family:

Happy Holidays!!!

I am proud to announce that I've decided to host a toy drive for an organization that is near and dear to me - *Lilliput Families*, a California-based organization that provides foster care support, adoption, and kinship care services. I've always wanted to host a donation event for a cause that holds personal meaning for me, and after some deliberation and reflection upon the work I do personally and professionally with the youth in my communities, this organization only seemed fitting!

Lilliput Families has 11 offices throughout California, with the closest ones to us in Auburn and Citrus Heights. The drive will take place in our office until Tuesday, December 19 and as a token of my appreciation, every person that donates a toy will be entered in a raffle for a \$50 Visa gift card (please let Rori know you donated).
