## about us

LA Family Housing (LAFH) helps people transition out of homelessness and poverty through a continuum of housing enriched with supportive services.

Since 1983, LAFH has become one of the largest comprehensive real estate developer and homeless service provider agencies in Los Angeles and a regional leader providing solutions to end homelessness. **Last year, LAFH helped 6,429 individuals in the fight against homelessness and poverty.** We meet clients where they are and design our supportive services to accommodate their specific needs.
