**LA FAMILY
HOUSING**

Moving into permanent housing can be exciting *and overwhelming...*

Welcome Home Baskets are provided to families and individuals when they leave our shelter to move into their own permanent housing with the help of our case managers.

Moving into permanent housing is an exciting time for our residents as they continue on their journey of transitioning out of homelessness.

But it can also be an overwhelming time, as they take on the challenges of managing a budget and meeting rent. By providing the residents with a Welcome Home Basket, you are helping to ensure they get off to a great start by meeting their basic household needs.

You are also showing them that their community cares about them and wants to see them succeed.

Thank you for putting together this important resource!

Please check off the items that you've included in the basket and include this check list when you drop off the basket.
