SUMMARY OF THE ORGANIZATION
LA Family Housing is a leader in homeless services and affordable housing development in Los Angeles. We believe that everyone deserves the dignity of a home and are invested in innovative solutions to ensure their long-term stability. With 35 years of experience, we know what works to end homelessness in people’s lives: an individualized approach that combines housing options with supportive services. Our commitment to best practice impacts 11,000 people each year, and our community-based approach allows us to influence how homelessness is addressed in Los Angeles and nationwide. Our growing portfolio of 26+ properties enables vulnerable groups to have access to permanent homes, and our services help them overcome their barriers to overall well-being.

We take tremendous pride in the emergence of our staff as national leaders in innovation, best practices, and policy within housing production and homeless services. From presenting at national conferences to facilitating service collaboration among providers in other regions, we equip our industry to effectively respond to homelessness and ultimately move more people home, together. Join the fight to end homelessness and make a difference in people’s lives at LA Family Housing!

SUMMARY OF RESPONSIBILITIES
The Housing Navigator is responsible for providing direct assistance and support to participants experiencing a housing crisis and homelessness through clinical engagement and intensive case management services. These services include, but are not limited to, the following: crisis intervention; developing and promoting housing readiness; accessing opportunities for housing assistance and rental subsidy programs (e.g. Section 8, EHAP); and securing permanent housing placement. The position is also responsible for the development and implementation of a housing plan and participant budget for each program participant. This position requires extensive coordination within multiple internal LAFH Programs (e.g. collaboration with the Engagement, Interim Housing, Housing Location, and Housing Stabilization teams), and external systems that include developing relationships with the Housing Authority, DCFS, DMH, community partners and resources, landlords, and property owners and managers (e.g. following up with housing leads, and applying for units to facilitate optimal outcomes for families and moving into permanent housing).

SPECIFIC DUTIES
• Conduct Initial Meeting and Assessment for each participant accessing services to build rapport and relationship while evaluating participants’ housing needs, history, barriers, and available services and support
• Develop and engage participant in a concrete and tailored Housing Stability Plan for each client to determine appropriate permanent housing intervention and service needs
• Complete and follow up with Interim Housing referrals to Managers for families that have been identified as needing immediate shelter. Complete subsequent Interim Housing extensions.
• Connect program Participants to community resources that will support the goal of permanent housing (e.g. benefits advocacy, food pantries, employment services, mental health)
• Must be comfortable providing direct field-based services to participants at identified motels and interim housing locations
• Assess and seek consultation through regular Case Conferencing and Case Presentations
• Available to assist when participants are experiencing an immediate need, crisis, or emergency (e.g. child abuse reporting, assessing for suicidal or homicidal risks or threats, etc.)
• Facilitate access to services needed to support housing readiness and reduce impact of barriers (e.g. child care, credit repair, legal aid, housekeeping, money management, tenant rights and responsibilities, etc.)
• Coordinate with internal teams to ensure clients have the necessary items to secure housing (e.g. valid identification, income verification, bank statements)
• Regularly review housing leads and update outcomes on agency’s Housing Location website (e.g. affordable housing resources for reference in locating appropriate housing)
• Strategize and present housing leads to participants that include listings from agency, housing authority, internet, and internal database of landlords/management firms/owners
• Provide information and instruction to clients regarding how to complete a housing application, housing searches, and tenant rights and responsibilities, including observation of rental agreement rules and being a good tenant
• Document all Participant interactions through Case Notes using clinical documentation and HIPAA standards, and maintain timely, thorough, and accurate records for reporting purposes in HMIS database
• Adhere to Data and Compliance expectations regarding directives that include maintaining complete Participant files
• Engage and assist clients with applying for permanent subsidy or low-income housing assistance programs including, but not limited to, Section 8 certification, EHAP, and CalWorks Homeless Move-In Assistance Program
• Assist participants with developing and maintaining a personal budget
• When required, provide transportation to participants to housing viewing appointments, move-ins, housing authority appointments, and specific visits to relevant social service agencies that will support with meeting housing plan goals
• Prioritize caseload and determine level of contact, coordination, and care needed for each participant
• Provide advocacy to help address issues and barriers between landlord and Participant that may prevent move-in
• Follow up with each Participant as needed to ensure they are making progress towards their permanent housing goals
• Collaborate with all internal teams to meet agency goals for housing placements
The above statements are intended to describe the general nature and level of work performed. They are not intended to be an exhaustive list of all responsibilities, duties, and skills required of personnel in this classification.
