GOLF

TOURNAMENT

For the 12th year, let's gather for a round of golf and raise much-needed funds to end homelessness!

This year, we're bringing our 12th annual LAFH Golf Tournament back to Angeles National Golf Club! We will enjoy another year of golf, games, great food, and giving, all in support of a mission and model true to our hearts. Your participation will help change lives and enable our unhoused neighbors to connect to supportive services, job placement, healthcare, and stable permanent homes.

At LA Family Housing, we know ending homelessness is possible - we see it happen every day. Your advocacy, support, and commitment to ending homelessness makes our work possible. Thank you for standing with us, and we look forward to seeing you on the course!

ABOUT LA FAMILY HOUSING

LA Family Housing (LAFH) helps people transition out of homelessness and poverty through a continuum of housing enriched with supportive services. For 40 years, LAFH is one of the largest homeless service providers and affordable housing developers in LA County, connecting more than 13,000 individuals with housing resources and supportive services annually. Recognizing that homes end homelessness, we own and operate more than 30 affordable, interim, and supportive housing residences and have nearly 750 additional housing units in various stages of development. Learn more at lafh.org.
