

Fort Bend Rainbow Room's 15th Annual Flo Berkman Award Luncheon

Featuring Rebekah Gregory

" Together We Can Change The World "

Rebekah Gregory is a simple wife and mother whose life was forever changed due to the events of the Boston Marathon bombings on April 15, 2013. This horrible act of terrorism left her as one of the names of the seventeen amputees and therefore permanently handicapped at the young age of only 26 years old.

Instead of being bitter, Rebekah has used her platform in a huge way by encouraging others worldwide. Speaking out about her story and own daily obstacles, she believes that life's struggles are not only meant to teach us lessons, but make us better versions of ourselves than before. Rebekah's delivery with her quick wit and contagious optimism is sure to have everyone feeling inspired and ready to make their own life changes. Outlining her popular phrase, "with every new day comes new hope" she never fails to leave her audience ready to "change the world."

Like Rebekah, hundreds of abused and neglected children and adults must find hope and courage to overcome their personal tragedies. Unfortunately, most do not have a voice and must depend upon the generosity of others. Mark your calendars to attend the Fort Bend Rainbow Room's 15th Annual Flo Berkman Awards Luncheon, emceed by Former City of Rosenberg Mayor Vincent Morales, Jr., to be inspired by Rebekah's story of courage and to honor those members of our community who have significantly contributed to making an impact for those served through the Fort Bend Rainbow Room.
