What Does the Grace Hudson Museum Mean to You?

Dear Sun House Guild Member,

Can you envision Ukiah without the Grace Hudson Museum? Can you remember just a few short years ago when the City of Ukiah revenues were at an all-time low and Museum funding was threatened? Thankfully, today the Museum is financially stable and has been able to expand its campus and its programming. In large part this is thanks to the support of **You**, our members and supporters.

The Grace Hudson Museum highlights regional art, culture and natural history in the tradition of an extraordinary family – that of Ukiah native and nationally admired artist Grace Carpenter Hudson, her ethnologist husband, Dr. John W. Hudson and her pioneering forebears. We provide opportunities for cultural engagement, art appreciation, historical reflection and hands-on learning.

The Museum, the Sun House and the Wild Gardens & Educational Center all depend on the generosity of our supporters. You make the difference!

It's easy! Just go to our website and choose how you want your donation to be applied, or mail us your check with a note advising us of your choice.
