

Recognize your physician in a special way.

Is there a special physician who went above and beyond for you or a loved one?

March 30, 2017, is National Doctors Day and a great opportunity to thank the physicians who have made a difference in your life. By making a gift, you will be helping others in your community who are in need of medical care. Reading Health System Foundation supports the charitable programs and initiatives of Reading Health System.

Your physician will receive a letter with your note of appreciation, and the amount of your gift will remain confidential.

Say "thank you" to your doctor today!
