COMMUNITY DAY FAMILY ACCESS DAY

SAT, JUN 2 | 9AM–12PM

MUSEUM-WIDE | FREE | RESERVED TICKET REQUIRED

104 MONTGOMERY STREET IN THE PRESIDIO OF SAN FRANCISCO

Join us on for our second annual Family Access Day, where we invite children with disabilities or other health-care needs—plus their friends and family—to enjoy the museum for free. Our doors open one hour early for qualifying families to enjoy quiet time before the museum opens to the general public. Guests can work on an art project, make a stop-motion animated film, watch a classic Disney movie in our theater, and enjoy the museum galleries and special exhibitions.

Family Access Day is organized by The Walt Disney Family Museum in partnership with Support for Families.
