Movement Workshops with Antoine Hunter and Urban Jazz Dance Company: 11:30 AM, 12:30 PM & 1:30 PM (30 min each)

Deaf dance master Antoine Hunter and dancers from his Urban Jazz Dance Company (UJDC) lead energetic, fun-filled dance, movement and storytelling workshops for families. In a safe space for artistic expression, you will learn to jump, roll and turn as well as how to communicate using your body and nonverbal language. Discover the art of UJDC's storytelling dance and create your own story too!

Workshops are open to everyone — all-level signers, Deaf children, hearing children, and children of Deaf adults. No prior dance experience necessary.
