

PEN-THE-PIG!

A pencil-and-paper game for two or more players.

HOW TO PLAY: Players take turns drawing horizontal or vertical lines between two nearby dots. Each player gets to draw one line each, no diagonal or curved lines. If you draw the last line to close a box, you get to claim that box with your initial and take another turn. When all the pigs are penned (all the boxes are closed), the player with the most boxes marked as theirs is the winner!
