

Call for Tenders

Construction of Bluebell Wood Boardwalk Sub-structure

Nene Park Trust has received a funding commitment from the Heritage Lottery Fund through the Nenescape Landscape Partnership Scheme to construct a riverside boardwalk through Bluebell Wood at Ferry Meadows Country Park. The boardwalk will be approx. 750m long and will greatly improve access for our visitors to some of the richest heritage areas within the Park.

The Trust is looking for a construction company to install the boardwalk sub-structure between June and September 2018, after which time the super-structure will be constructed by our staff and volunteers. If you know of a company who may be interested in tendering for the sub-structure installation work, please do contact Nene Park Trust at visitor.services@neneparktrust.org.uk quoting ref P18007 and we will arrange for a tender pack to be sent to you.

The deadline for receipt of tenders is the 2nd March 2018.
