## At His Feet Ministries

### **Ministry Founder & Director**

In March of 2002, Kristina Collins founded *At His Feet Ministries*, a unique non-profit ministry that opens doors and encourages people in their prophetic gifting. AHF is now based in England where God has called her family to take a role as missionaries.

### **Inspirational Speaker/Teacher**

Kristina is ordained through Vineyard. She lives in the UK with her family as missionaries and has a longing to see revival in the land. Her passion causes her to reach out with the love of Jesus and to stop for the one.

Kristina has a fervent love for the prophetic and is a revivalist missionary to the UK. She is bold and greatly focused in following the Holy Spirit's call on her life – to walk out her faith and sow into this land. Through an anointing to speak prophetically into the lives of individuals, Kristina brings out the hidden gold inside each one. Kristina's desire is to see hearts set free through his word, both in speaking and prophecy. She leans on the voice of the Lord when she ministers and through this God pours out His supernatural love, empowering His people.

### **Dance Instructor**

Kristina started dancing in 1994 after a tragic event left her son, Micah, both mentally and physically disabled. God drew her into worship through dance to heal her broken heart. She has instructed multiple classes (modern, hip-hop/celebration and prophetic) within *AHF Ministry*. Kristina has recently started a dance to fitness class, *Invigorate*. Her desire is that our whole body is well: spirit, mind, body and soul.

### **Artist**

PNEUMA (God's breath) is a unique collection of hand-painted silks that Kristina has created into a clothing/dance accessory line. She also gives painting lessons to those who want to craft their own pieces.

### **Wife, Mom & Nanna**

Kristina is married to a wonderful man named Paul and they have three children: Micah, Hannah and Emma; and three beautiful grandchildren.
