

Onboarding

Check out our **Costs** document for outline on basic pricing.

We hold CAA permission for aerial work (PFAW) including night and congested area flights. Qualified and Insured. Offering an honest and professional service.

THE BASICS TO GET YOU STARTED	
NAME	CONTACT US
COMPANY NAME	
EMAIL ADDRESS	
PHONE	
FILMING LOCATION	
DATE & TIME	
REQUIREMENTS	

Our first contact enables us to assess your basic requirements. There may be limits to what can be done due to flight regulations, bylaws and geographical constraints etc.

We'll discuss details to confirm that our service is suitable and to establish a timeline against whether we might need to seek additional permissions. We'll then be able to confirm whether your requirement is achievable so that you can comfortably continue to further develop your ideas.

DETAILED BRIEF	
OVERVIEW	Written outline of the basics, including recommendations from initial conversation
BREAKDOWN	Detailed written plan of the requirements for each shot/shoot
	WHO is involved and on location
	WHAT is the primary and secondary focus
	WHY is this eye catching and creative
SITE/SHOOTING PLAN	Shot lists and overhead diagram of shot composition

We take pride in getting you the shots you want and we need you to help us achieve that by providing as much detail as possible

WHAT'S NEXT	
BRIEF REVIEW	Collaborate to ensure expectations can be met and finalise plan
DEPOSIT PAYMENT	Secure our services
LOCATION REVIEW	We perform all required additional checks and pre-flight survey for the shoot
REGULATIONS	We inform relevant agencies and complete additional permissions as required
RISK ASSESSMENT	We complete location risk assessment
SITE MANAGEMENT	We review existing and further control measures
FINAL PLAN	Liaise to recognise any last minute changes
PRE FLIGHT CHECKS	We take responsibility for flight safety checks
FLIGHT OPERATIONS	We command and perform the aerial operations
SIGN-OFF	Work sheet sign off
INVOICE	Payment reminder
EDIT ADD-ON	Post production edit available if required and invoiced separately
SUPPLY MEDIA	Photography/video footage can be supplied same day of shoot on stick/sd/dvd
BOOK US FOR YOUR NEXT AERIAL PROJECT	

We cannot control the weather and if there is rain or high winds we will re-schedule operations at your convenience with no extra charge
