"The Laramie Mural Project utilizes local artists to create one-of-a-kind large-scale murals in the heart of downtown that reflect Laramie's cultural assets. The mural project is a collaboration between the University of Wyoming Art Museum, Laramie artists, downtown business owners and the Laramie Main Street Alliance. Funding for the murals has been provided by community donors through crowdfunding campaigns, the Guthrie Family Foundation, City of Laramie, the Laramie Beautification Committee, Blue Federal Credit Union, and the Wyoming Arts Council through the Wyoming Legislature and the National Endowment for the Arts. For more information about the murals, visit [www.laramiemuralproject.org](http://www.laramiemuralproject.org)
