

Surrey Gardens Trust

Schools Awards

Apply Now

For 2018 grants

Closing date for applications

30th March 2018

Dormandsland Primary School Summer 2017 – vegetable & fruit garden

Grants will be given to successful applicants who put forward a specific project for the improvement of school grounds for the benefit of children in Foundation stage, KS1 and KS2.

Ideas for your School Grounds improvement Projects

Wild flower areas to attract bees, butterflies and insects

Growing plants from seeds

Installing raised beds

Buying tools and equipment

Building compost areas

Planting trees and hedges to attract wildlife

Creating a pond or bog garden to attract pond life

Creating a sensory Garden

Growing a Willow dome

Surrey Gardens Trust is pleased to receive applications for grants to improve school grounds. Never before has there been a time when learning about plants has been so important. Key Stage 1 Science now requires that children should be taught to:

- ✓ identify and name a variety of common wild and garden plants, including deciduous and evergreen trees
- ✓ identify and describe the basic structure of a variety of common flowering plants, including trees

The Application form can be found at:

www.surreygardenstrust.co.uk

Applications are welcome from any Surrey maintained Infant or Primary School planning to create, or further develop, a garden that will facilitate children's learning through talk, play and environmental awareness.

The Trust looks more favourably on schemes that involve planting rather than play equipment.

Grants will be distributed as the judges decide and the amount determined on merit.

Background Information

One of the Surrey Gardens Trust's principal aims is to encourage the development and use of school grounds as a learning environment. The Trust is funded by membership subscriptions, donations and sponsorship. Grants totaling £17,500 have been awarded to schools since 1997.
