

NOTICE OF A PROPOSAL AND NOTICE OF A PUBLIC MEETING

by Lake Simcoe Regional Airport Solar Energy Partnership to Engage in a Renewable Energy Project

Project Name: Lake Simcoe Regional Airport Solar Project (the Project)

IESO Reference #: L-006346-SPV-001-006

Project Location: The Project will be located in the Township of Oro-Medonte, in the County of Simcoe, Ontario. The project will be located on airport-owned lands with electrical lines located in municipal road rights-of-way. The Project Location includes approximately 22 ha of land and is generally bounded by agricultural and forested lands to the north, west, and south, and Line 6 North and the Lake Simcoe Regional Airport to the east.

Dated at the Township of Oro-Medonte, the 23rd day of February, 2017

Lake Simcoe Regional Airport Solar Energy Partnership is planning to engage in a renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this combined Notice of a Proposal and Notice of a Public Meeting, and the Project itself, are subject to the provisions of the Environmental Protection Act (the Act) Part V.0.1 and Ontario Regulation 359/09 (the Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment and Climate Change.

A public meeting is being held to share information with members of the community and stakeholders. The meeting will be an open-house format where you can drop by anytime within the specified hours to view information on the Project, ask questions of the proponent and provide your feedback.

Meeting Location:

DATE: March 28, 2017

TIME: 6:00 - 8:00 p.m.

PLACE: Community Banquet Hall, 71 Line 4 North (@ HWY 11 S), Oro-Medonte (upstairs)

Project Description:

Pursuant to the Act and Regulation, the solar facility, in respect of which the Project is to be engaged in, is a considered to be Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 6.75 MW. The Project Location is described in the map to the right.

Documents for Public Inspection:

This Project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report titled "Lake Simcoe Regional Airport Solar Project - Draft Project Description Report" describes the Project as a Class 3 Solar Facility that will consist of solar panels and racking, access roads, inverters and transformers, a substation, electrical lines and perimeter fencing. A written copy of the Draft Project Description Report will be made available for public inspection as of February 24, 2017 at:

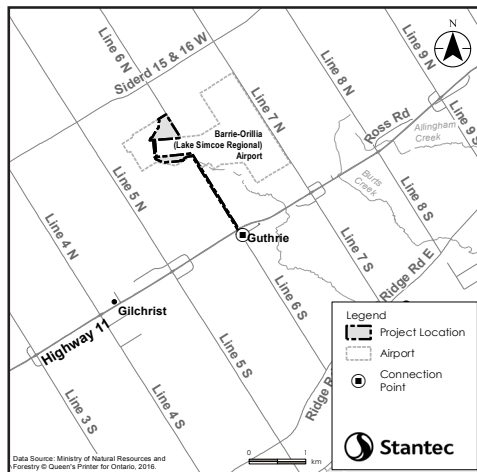

The Township of Oro-Medonte office
(148 Line 7 South, Oro-Medonte)

The Project website at: www.lsrasolar.com
