A grandfather recently shared with me a story about his grandson. What started with a discussion about who the people were in an old family photo ended with a meltdown over why his older brother was wearing his now favorite shoes. The toddler could only see the injustice of his brother wearing his shoes and could not understand that they were originally his before being handed down. Wisdom is a trait that comes with age and in most cases after many mistakes.

Hand me downs are not limited to old shoes and clothing. Our children will inherit many challenges and opportunities if left unsolved and will have others that are still unknown. Like the grandfather, we need to be prepared to help them to navigate through these challenges and in turn share our wisdom to empower them to solve their own problems.

Our Montessori programs are designed to empower students to be independent learners with problem solving skills. They are learning to share their knowledge with cohorts and to explore new solutions with our Montessori materials. Our teachers are highly trained and many are continuing to expand their knowledge base. It is our desire to work with families to create students that are empowered to make a significant difference as adults.

You should have received a communication from Rachel Relle asking for your assistance in identifying parent education topics of interest. All of these topics are valuable but we hope to start with the ones of most interest to our families. Please take a few minutes to complete this survey. Your input is important to us. Our school will be participating in the annual Al Van Wie Rotary Classic Food Drive beginning next week. Oct. 29-Nov. 2 please bring in non-perishable food items that you would like to donate to help our local community food pantries. (They are especially in need of baby food.) There will be a box on the front porch for the items. THANK YOU FOR HELPING OTHERS!

Thank you for all the Box Tops! Lower El collected the most for this fall deadline! Congrats! Keep collecting and turn in as you go. Our next deadlines will be in the Spring.

To fuel our teachers through the longer conference days, we’d love to provide healthy snacks that they can grab after school and during the evenings. Please sign up if you’d like to contribute:

MATH NIGHT!

Thank you for responding to our parent education interest survey. We are thrilled that you have selected Math as a topic of interest. This is exciting for us and something we are eager to share with you. On Wednesday, November 7th at 6 pm we will host a Math night. We hope you can join us to discover the magic of Montessori math. We will demonstrate how these works are used to connect prior knowledge and new concepts that will inspire future math lessons. Montessori Compass tracks individualized student progress. Assistance will be provided for those unfamiliar with this program. Please register on-line at www.woomontessori.org/resources

Next MPO meeting will not be until January

There is still time to get your Montessori Mingle Tickets - you can purchase them online through the link provided. http://www.woomontessori.org/online/

A PORTION OF THE PROCEEDS TO BENEFIT KADEN ALLERING!
Thank you to everyone that helped make the Fall Festival a HUGE success!
Mrs. Lanham’s class made their classmate Kaden a special quilt to show him that the children, teachers and school are praying and thinking of him during his battle with brain cancer.

Each student colored a quilt block and signed it. What a special gift!

We are happy to announce that Kaden returned to school on Oct 18th just in time to enjoy the Fall Festival.

Xander and Taiven love to build towers in Before Care!
Thank you to everyone who came and supported Kaden and his family by enjoying a great meal from Inside Out BBQ, LLC.
Lower Elementary is getting ready to practice a movement routine for our upcoming concert on November 27.

The October composer of the month was Georges Bizet. Upper Elementary learned about musical form and practiced keeping a steady beat with parachutes to Bizet’s “Les Toreadors” from Carmen Suite No. 1.
The staff honored Mr. Edinger for Bosses Day by making him SUPER BOSS! The staff enjoyed a potluck lunch together.

Mr. Joe was asked to wear the costume the staff purchased for him for the day, he was also given a handmade card signed by all of the staff with a token of appreciation inside the card.

It was a fun day, watching the children’s reactions when SUPER JOE visited all of the classrooms and interacted with the children, we heard lots of giggles. We are very fortunate that Mr. Joe has a great sense of humor especially when he saw his cake!

The toddler’s enjoying some time with SUPER JOE.
