Dear Montessori families and supporters,

In 1984, Marge Thomas and her 14 students started something special in a Victorian home on Quinby Ave. That small Children’s House has grown into a thriving institution serving preschool through middle school aged children from Ashland, Holmes and Wayne counties. We hope that you will join us in celebration of 35 years of Montessori education in Wooster at our Annual Dinner on March 1, 2020.

Our dinner will begin at 4:30 pm. During the meal we will have raffles, a silent auction, and entertainment provided by our youngest students. Following the meal we will move into the auditorium to recognize those present who have been a part of our past. The announcement of our raffle and auction winners will follow the student concert.

This event takes a team effort. We are looking for donated items and services for the auction, need volunteers for the event, and of course participants. Please take a few minutes now to reserve your meals and tell us how you can help. A registration form is included with this invitation.

We would also like your help spreading the word, contacting alumni, and hearing more about what Montessori means to you. We are working to capture our history in a written and video format. Additional links are on our website to share your stories, purchase raffle tickets, volunteer, and donate items for the event. Your attendance and support will help us to tell this story to future generations.

Looking forward to seeing you at the event!

**Reverse Raffle (For the adults)**

This is a new version of our 50/50 raffle we are going to introduce this year. Three types of cards will be sold and drawn until one card remains. The last card drawn will win half of the pot! We will only sell 53 playing cards. Number cards will sell for $20 a card, Face Cards will sell for $50 a card, and Aces will sell for $100. One Joker will be auctioned late in the event. Once we sell out, or at 5:30, we will start drawing cards.

Number cards are eliminated from the raffle as soon as they are drawn. Face Cards will be marked and re-entered into the raffle if they are drawn during the first 20 eliminations (after 20 are out they are eliminated if drawn), Aces will not be added to the raffle to be drawn until 35 cards have been eliminated. One Joker will be auctioned to the highest bidder when 9 cards remain.

Deck Shuffles will occur after 20 and 35 eliminations and when Joker is added. Final 3 will shuffle face down on a table top.
