

**Sleight of Hand Cellars
2020 Psychedelic Syrah**

Walla Walla AVA, Washington

Drinking Window: 2024-2030

A beguiling bouquet of smoky bacon, olives, crushed blackberries and dried flowers makes the 2020 Syrah Psychedelic a total pleasure on the nose. This is savory, nearly salty in character, with dried meat and earth tones giving way to only a hint of black currant. It leaves the palate with only a subtle coating of tannin, as wild herbs and saline-mineral tones linger impossibly long. The Psychedelic is the racy and sleek entry from the "From those that like the rocks" collection.
