The Livingston Public Library, the heart of our vibrant town, fosters community engagement, connects people with ideas and each other, and makes Livingston a better place to live and work.

## NAMING OPPORTUNITIES

# NAMING OPPORTUNITIES

## Opportunities Ahead

A Naming Opportunity presents a unique chance for individuals, families and businesses to write an enduring chapter in the history of the Livingston Public Library. Through a Naming Opportunity gift, you become a part of the Library's legacy for generations to come. For gifts of the following amounts, donors may be recognized for their contribution.

### \$50,000

Children's Story/ Activity Room: Service to children is a vital part of the life of our Library. Our existing story room has been a success for the past 8 years. However, demand for early literacy programming has increased. We have outgrown the space and need to expand the room by 200 square feet. Your gift of \$50,000 will help us create a lasting space to foster literacy, learning, and creative play.

### \$20,000

Family Living Room: The way people use the Library is changing. Demand for an informal, welcoming space to gather as a family and as a community is needed. We plan to transform a section of the Children's wing into a Family Living Room. Your donation of \$30,000 will purchase seating and tables to create a casual and comfortable space for families to gather and study.

### \$10,000

Programming Series: A diverse array of programming serving the educational and recreational needs of patrons of all ages is a popular strength of our Library. Your gift of \$10,000 or more will support a program series in your name. Topics include: Teen Technology, Coding for Children, Art Lectures, Concert Series and more. Interested donors should speak with Library administration to discuss areas of interest.

### \$5,000

Study Carrels: Quiet space to study and read is always in demand. Your gift of \$5,000 will allow for a new study carrel to be added to the Library's reference section.

Book Display: Displays with specially selected books enhance the library experience and make sure every reader finds a book that will interest them. For a gift of \$5,000 a new display unit will be added to the library.

### \$2,500

Book Stacks: Do you have a love of literature or a topic of personal interest? With a donation of \$2,500 a stack of books will be named in your honor. Interested donors should speak with the Library administration to determine available subjects.

***“The Livingston Public Library, the place where reading, learning, and ideas converge to transform lives”***
