Tribute
Fund

**There is no finer gesture
than a gift to the library**

A Mark of Honor

THE TRIBUTE FUND is not just for memorials. Whether it is for a remembrance, the celebration of a happy occasion, or an expression of esteem, your tribute can have no finer form than a gift to the Livingston Public Library. This gift of knowledge assists the Library in its efforts to provide the public with books not otherwise available.

YOUR GIFT to the Tribute Fund may be for any amount. If you wish to provide a new book for the Library, the minimum contribution is \$35 and will be acknowledged in any name that you choose.

FOR \$1,000, you can enrich the Library for generations to come by establishing a Perpetual Book Fund. Every year a book in one particular subject area or collection will be purchased in the name of the designated person.

A BOOKPLATE in each volume will commemorate your tribute. An announcement of the gift will be sent to your designated honoree to inform them of your generous and thoughtful gesture. The dollar amount of the gift will never be disclosed.
