

Homemade clay elephant

This kids activity requires a parent's or guardian's supervision.

This recipe makes a smooth pliable clay that is air hardening. Omitting food color produces a white clay that can be painted once dry and hardened. or mix in a=the food coloring of your choice.

1 Cup baking soda
1/2 Cup corn starch
3/4 Cup water
1/2 Tablespoon oil
Food coloring (optional)

Mix all ingredients in a pan. Cook over medium heat stirring constantly until thickened to consistency of cookie dough. Remove from pan and cover with a damp cloth until cool. Knead until smooth and pliable.
