

ADDITIONAL LINKS & INFORMATION

FOR WEBINAR ATTENDEES:

Thank you so much in participating in our webinar! The items below are some additional links that might be useful as you begin to incorporate elements of 3D printing into your practice.

What is 3D Printing?

A very short, cute video explaining the basics of 3D printing

<https://www.youtube.com/watch?v=DI33eCVvWiw>

Beginner's Guide to 3D Printing

A short document that provides more depth about 3D printing, including history, technologies, processes, and its global effect

<http://tinyurl.com/z7wl7uo>

Introduction to TinkerCAD

A short overview of the TinkerCAD interface

<http://tinyurl.com/zeaw5n5>

Thank you so much for your participation! Please contact us if there's anything at all we can do to help smooth your transition into 3D printing in the classroom! And please visit our website www.polar3d.com for more information and support for all aspects of the Polar Platform.

Best Regards,

The Polar 3D team
