

Agenda for Chain Reaction at the BYC, February 22, 2012

6:00-6:15 Eat, gather, check-in. Explain what happened with video and confidentiality issues, ask people about signing up for another time.

6:15-6:30 Circle discussion: open with discussion of Chain Reaction and our goals. We need ideas for how to use these recordings as a form of advocacy, and BYC youth is the group that has taken the most leadership/most involvement. *We want to discourage people from calling police on young people and talk about alternative reactions. We want to know if you think that could work? What are your ideas for how we could use these radio pieces as a form of advocacy?*

6:30-7:00 Listen to first 20 minutes of interviews, take notes  
Discuss: What stood out? What worked/what didn't? Would this be useful as a form of advocacy? Also discuss what made things boring or interesting, what you would cut out?

BREAK until 7:05

7:05-7:35 Listen to next 20 minutes and repeat discussion

7:35-7:50 Listen to last round of interviews and discuss

7:50-8:00 Check out and pass out stipends, consent forms
