

Annushka's Scripts

Note: these ideas are completed projects and protected.

Half-Hour Television

Nelle 'n' Ellen | children's animation | TV

Ellen is a spoiled twelve-year-old mastermind who conquers parallel worlds for fun. But when she arrives in Mirworld, she comes face-to-face with Nelle, her happy-go-lucky alternate self who thwarts all her plans.

Booty | animated comedy

After getting a new captain who knows nothing about real piracy, this crew of uncensored scalawags just wants to find a port to call their own. While drinking port. And rum.

One-Hour Television

Sawgrass | crime drama

In a planned community located next to the Everglades, the chief of police's body is found in a python. But as a local officer and out-of-town detective investigate, they suspect murder, and the town's dark secrets rise to the surface.

Seven Heads | fantasy adventure

When a homebody goes on a quest to avenge his sister's murder, a witch accidentally erases his memory of the killer. When he reluctantly teams up with her, they discover his sister was an heir to a district, one of the seven Heads.

Features

Pricks | sci-fi rom-com

A hopeless romantic lands the girl of his dreams, but it seems too good to be true. He investigates and uncovers that his town is a testing ground for a pharmaceutical love-drug.

A Cycle of Affairs | rom-com adventure

When a nebbishy postman's family heirloom is stolen, he treks across Europe to retrieve it. But the trip may endanger his relationship with the love of his life.

In Progress

A supernatural horror web series, a fraternity web series, a children's animated series about dreams, and more...
