Some things to do when you only have 1 day in Mendocino

The Ford House Museum, is recognized by the Mendocino Coast Chamber of Commerce as the official Visitor Information Center for the village. Open daily, 11am to 4pm, the Ford House is the perfect place to start any visit to Mendocino. The circa 1854 home offers both historic and current information on the village and the area State Parks, including a broad selection of brochures, books, maps, cards, & gifts.
### Mendocino Headlands State Park
**Follow the coast around Mendocino**

The park consists of 347 acres of undeveloped seaside bluffs and islets surrounding Mendocino Village, two beaches (Big River Beach and Portuguese Beach), and the much larger Big River Unit stretching for eight miles along both banks of the Big River.

---

### Russian Gulch State Park
**2 Miles North of Mendocino**

Devil’s Punchbowl, the park’s most famous feature, formed when pounding waves forged an inland tunnel and left a hole 100 feet across and 60 feet deep. Hike 5 miles to Fern Canyon’s 36-foot high waterfall. The park has nearly 1.5 miles of ocean frontage. In the spring, the park’s foggy headlands bloom with acres of wildflowers. There is a beach that offers swimming, tide pool exploring, skin diving, and rock fishing. Also there’s a paved three-mile bicycle trail.

---

### Point Cabrillo Light Station
**13800 Point Cabrillo Dr. Mendocino**

Visit the Lighthouse, an active duty Aid to Navigation station, containing the original Chance Brothers Fresnel lens.

There are three restored Lightkeeper homes and the Blacksmith & Carpentry Shop, which houses a Science Exhibit with a 240 gallon saltwater aquarium. (Park & walk half a mile unless ADA.)

### Kayak Mendocino Tours
**At Van Damme State Park**

Call 707-813-7117 for Reservations

Here you can get professionally guided sea cave tours or rent a kayak. The paddling is smooth and easy in the naturally formed channels. Narrow passageways and coves lead over the clear blue green shallow water. Caves are filled with sea stars and vibrant algae.

---

### Catch a Canoe and Bicycles Too!
**At the Stanford Inn**

707-937-0273

Choose from a variety of sit on top & decked kayaks, canoes and redwood strip outriggers, and mountain or comfort bicycles for exploring beautiful Big River. Guided tours on our outrigger are available from June-Sept.

---

**Russian Gulch State Park**

The park features the hiking in lush Fern Canyon scenic trail system; the Pygmy Forest where mature, cone-bearing cypress and pine trees stand six inches to eight feet tall; and the bog, or Cabbage Patch, where skunk cabbage grows in abundance. A paved road is used by joggers and bicyclists.

---

**Mac Kerricher State Park/Visitor Ctr.**

33080 MacKerricher State Park Rd. Ft. Bragg
707-964-8898

Come see our gray whale skeleton. This park offers a wide variety of habitats: beach, bluff, headland, dune, forests, wetland and tide pools. View the seals on the rocks. Great place to whale watch.

---

**Glass Beach**

Off Elm Street, Fort Bragg

Search for rare ruby reds from auto tail lights or sapphire gems from apothecary bottles. Snap a photo. Leave the glass behind for others to discover.
