Double your SNAP purchases when shopping with us, ask our farmers!

### WHAT WE DO

MCFs serve as hands-on resources that engage the community in urban farming, sustainable agriculture, affordable food access, and healthy food and lifestyle choices. Our goal is to provide local seniors and surrounding residents with access to fresh produce by sending our mobile farm stand to their locations. MCF works in partnership with Market Taverne of Morristown, Vital Dining of Montclair, and Montclair Food Co-op & CSA. Generously funded by Partners for Health Foundation, New Jersey Healthy Communities Network, and the Garden State Good Food Network.
