

Global Vendor Letter of Support for CPC+

Date: 26 September 2016

Center for Medicare and Medicaid Services 7500
Security Boulevard
Baltimore, MD 21244

Center for Medicare and Medicaid Services:

FIGmd (technology partner for ABFM PRIME Registry) is writing to express our commitment to partnering with practices that participate in Track 2 of the Comprehensive Primary Care Plus (CPC+) Model that are registered with ABFM PRIME Registry. We are committed to working with CMS to ensure our customers' success.

This letter affirms our intention to support practices participating in the model to meet one or more of the following health information technology (health IT) capabilities identified for Track 2 practices by January 1, 2019. FIGmd intends to directly supply all of the Health IT Functionality mentioned below or offer a path to practices to successfully comply with requirements via PRIME Registry.

Health IT Functionality	Supported (Yes/No)
Risk-stratify practice site patient population; identify and flag "Patients with Complex Needs"	Yes
Produce and display eCQM results at the practice level to support continuous feedback	Yes
Systematically assess patients' psychosocial needs and inventory resources and supports to meet those needs	Yes
Document and track patient reported outcomes	Yes
Empanel patients to the practice site care team	Yes
Establish a patient focused care plan to guide care management	Yes
Optional: CPC+ practice site care delivery and documentation of the care touch documentation ¹	Yes

We further affirm our intention to participate in the following activities over the course of the Model:

- Partner with CPC+ practices registered with PRIME Registry to support the practice in meeting the care delivery objectives for using health IT to deliver comprehensive primary care.
- In conjunction with contacts provided by ABFM PRIME Registry, FIGmd will also provide CMS with a contact focused on CPC+ practice needs and an executive contact to manage the relationship with CMS. (Please note: This functionality is not mandatory. Practices may still qualify for Track 2 without obtaining vendor support for this functionality.
- Participate alongside ABFM PRIME Registry representatives, practices, payers, and other stakeholders in a wide range of CPC+ national learning activities facilitated by CMS's Center for Medicare and Medicaid Innovation (CMS Innovation Center).

- Participate, along with ABFM PRIME Registry, in virtual meetings at least quarterly with representatives of CMS, other CPC+ stakeholders (including other health IT vendors, practice representatives, and payers), and/or representatives of ONC, to discuss CPC+ requirements and other related topics.

If practice partners are selected to participate in Track 2 and sign the CPC+ Participation Agreement, FIGmd intends to sign a Memorandum of Understanding with CMS that will serve as an agreement to pursue the activities described above.

Sincerely,

Vendor Name: FIGmd, Inc. (<http://www.figmd.com/>)

Vendor Representative: Mr. Sanket Baralay, President and CEO
