

Showcase Your Sustainable Booth at the Global Specialty Coffee Expo.

Sampling at your booth?

Order the Sustainable Wastebasket Option that fits your needs.

Reduce your booth's environmental footprint by diverting waste from the landfill, and help us meet our goal to compost 100% of coffee grounds. Join SCA's efforts to *#makecoffeebetter* !

What wastebasket do I need?

COMPOST WASTEBASKET

(\$34.90 Online Rate)

For booths serving coffee in paper cups or food with compostable flatware.

Haven't purchased your sampling cups or flatware?

Choose a compostable option and send all used flatware + coffee to the compost bin.

RECYCLING WASTEBASKET

(\$34.90 Online Rate)

For booths sampling drinks from aluminum cans, plastic cups, plastic bottles, or glass bottles.

How do I order?

Order your Compost or Recycling Wastebasket via the SCA Exhibitor Kit.

SCA Exhibitor Kit  **Furnishings Category**  **Accessories Section**

Take advantage of Online Rates by ordering your package at www.freemanco.com/store before March 29, 2017.

COMPOST	Coffee Grounds Liquid Food Coffee Filters Wet Paper Compostable Flatware
RECYCLING	Plastic Cups Milk Jugs Aluminum Cans Paper Glass Bottles Cardboard
LANDFILL	Plastic Utensils Chip Bags Plastic Wrappers Styrofoam Straws

Expecting leftover product and/or décor?

Participate in our 3-Step Donation Program.

1. Visit the Freeman Service Desk anytime during Expo to request donation labels.
2. Label the items that you would like to donate (product, furniture, plants, or other materials).
3. Deliver the items to your nearest Expo Hall collection area. Following load-out, the labeled items will be donated to a local nonprofit.
