ROASTER VILLAGE

ROASTER VILLAGE

This year's Roaster Village invites attendees to explore and taste coffees produced and roasted by some of the best roasters in the industry.

Roaster Village will be set in a high-traffic location within the U.S. Coffee Championships area of the Washington State Convention Center.

DEMOGRAPHICS

Over 13,000 specialty coffee professionals attend the Specialty Coffee Association's annual Expo, making it the world's largest gathering of specialty coffee professionals.

With a make up of a mostly millennial audience (42% of attendees) and Generation X'ers (38% of attendees), 80% are under 50 years old. The Expo includes 800+ booths, 35 educational classes and 40 lectures.

Attendees include specialty coffee roasters, retailers, baristas, coffee leadership, influencers and media - basically 13,000 people who respect craft and pay for quality.

The Specialty Coffee Association community is a highly engaged audience and very active in our social spaces including Facebook, Instagram and most popularly Twitter with over 19 million impressions during the event.
