### MADE WITH LOVE

*Handmade Gifts for Patients in North Korea*

A growing area of our ministry includes knitting and crocheting gifts to send to patients and staff at our 30 supported care centers. Lovingly made handcrafted items make a lasting impression and warm many hearts, bodies, and minds – especially during the long winter months when temperatures drop and fuel for heating is scarce.

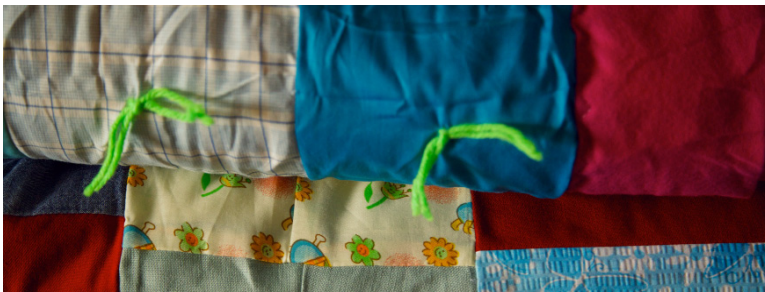

*"Dear children, let us not love with words or speech, but with actions and in truth." –1 John 3:18*

Items we have sent include:

- ♥ knitted or crocheted hats, scarves, and gloves
- ♥ knitted, quilted, or fleece blankets
- ♥ sweaters, shawls, and wraps
- ♥ handmade dolls
- ♥ knitted squares

Many individuals and church groups have joined in, combining fellowship with service, to live out the love of Jesus through making and donating such gifts!

We ask that contributors send a photograph of themselves or their group when sending items to us. We print a small card and attach one to each item with a photo and name of the person who cared enough to make something special for the patients. We collect items all year long, and usually in the fall of each year, we distribute them to patients and staff who are preparing for winter at our care centers.

*Knitter's Card*

*"Because of your service by which you have proved yourselves, men will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. And in their prayers for you their hearts will go out to you, because of the surpassing grace God has given you." –2 Corinthians 9:13-14*
