

56TH & MORTON DRAINAGE IMPROVEMENT PROJECT

PRE-CONSTRUCTION OPEN HOUSE

Join us to learn about the construction plan for the 56th & Morton Drainage Improvement Project. This project includes widening portions of the drainage channel, replacing the box culvert at Fletcher Ave., adding in access points for maintenance, and stabilizing portions of the channel's bank to prevent erosion. Additional work includes resurfacing Fletcher Ave. between N. 56th and N. 70th streets.
