

Project Manager (Education)

Studio Meng Strazzara is seeking an experienced, client-focused **Project Manager** to join our public facilities studio. The PM will be responsible for the day-to-day management of the assigned projects, associated client services, and participate in market development for Public Facilities, including Municipal, State, and Federal programs. The successful candidate will be experienced with public sector agencies, clients, and stakeholder groups, and have expertise in the capture, management, and delivery of public projects.

Key Skills and Expertise

- Positive and effective communication with clients, project teams, and firm management
- Adherence to and efficient management of contract obligations and project work plans
- Deep understanding of project scopes of work, design and construction budgets, and overall project delivery schedules
- Working knowledge of design contracts, terms and conditions, and sub-consultant management
- Effective leadership of project teams, skilled with consensus building and change management
- Collaborator and Mentor, strong interpersonal communication and writing skills
- Experienced with interviews, presentations, and facilitating workshops

Minimum Requirements

- Bachelor's Degree in Architecture
- Registered Architect
- 12+ Years of Architecture Experience
- 5+ Years of Project Management Experience with Public Facilities
- Experience with Project Management tools, protocols, and procedures

Preferred Qualifications

- Strong understanding of BIM management and integrated project delivery
- Strong PM public facilities portfolio with an established and active industry network
- Design-Build and Alternative Procurement experience
- LEED AP with management experience in certifying projects
- Master of Architecture

- NCARB certified
- PMP credential
- DBIA credential

About Studio Meng Strazzara

Studio Meng Strazzara (SMS) is a customer-centric, Seattle-based architecture, planning, and consulting firm, whose innovative work has been recognized throughout the Pacific Northwest for the past 40 years. Our design expertise and award-winning projects includes public facilities, mixed-use residential developments, retail, and education facilities. We're a mid-sized design firm, located by Pike Place Market, in downtown Seattle.
