- Support and guidance for career growth
- Collaborative team environment

SMS is a dynamic and innovative architectural firm who planted our roots in Seattle 40 years ago and has grown to service clients throughout our region and beyond. We take pride in where we live; our office overlooks Puget Sound and Pike Place Market, giving us endless inspiration for our work. With a diverse portfolio of k-12, higher education, and mixed-use development, we are a mid-sized firm with a focus on client service, design expertise, and technical excellence. We create spaces that are beautiful, flexible, and inspired; spaces where people and communities come together.
