

SMS is looking for **Project Managers** who have a track record of delivering projects with a strong commitment to technical excellence, and successful client relationships. Our ideal PM wants to build client relationships and deliver the best our firm has to offer, while working directly with firm leadership and expanding their project portfolio.

**What we're looking for:**

- Strong ability to oversee and lead project contracts, clients, and design teams, through project inception through project close-out.
- Accessible communication style that meshes with different personality types
- Passion for servicing our clients with an emphasis on quality and delivery
- Strong presenter who has interview and facilitation skills

**You have:**

- 8+ years of experience
- Professional degree in architecture
- Registered Architect
- AutoCad & REVIT management experience
- Experience with building codes & jurisdictional review processes
- Strong education and/or public facilities portfolio and active industry network

**You might also have:**

- Participation in business development and sales activities
- Experience with alternative delivery methods
- NCARB, DBIA, LEED AP or PMP certification
- Skills in mentorship and guidance of younger staff
- Graduate degree in Architecture

**We have:**

- Competitive salary and benefits package (medical, dental & vision insurance; 401(k) matching)
- Opportunities for leadership and growth with the firm
- Collaborative team environment

SMS is a dynamic and innovative architectural firm who planted our roots in Seattle 40 years ago and has grown to service clients throughout our region and beyond. We take pride in where we live; our office overlooks Puget Sound and Pike Place Market, giving us endless inspiration for our work. With a diverse portfolio of k-12, higher education, and mixed-use development, we are a mid-sized firm with a focus on client service, design expertise, and technical excellence. We create spaces that are beautiful, flexible, and inspired; spaces where people and communities come together.
