- Registered Architect or actively pursuing registration (IDP)
- REVIT & Sketch-Up proficiency
- Experience with BIM, computer rendering, building materials, all phases of design

**You might also have:**

- Virtual Reality Programs
- Education or public facilities experience and active within our industry
- Graduate degree in Architecture

**We have:**

- Competitive salary and benefits package (medical, dental & vision insurance; 401(k) matching)
- Opportunities for greater design freedom and project leadership
- Collaborative team environment
- Easy access to the best lunch spots Pike Place Market has to offer

SMS is a dynamic and innovative architectural firm who planted our roots in Seattle 40 years ago and has grown to service clients throughout our region and beyond. We take pride in where we live; our office overlooks Puget Sound and Pike Place Market, giving us endless inspiration for our work. With a diverse portfolio of k-12, higher education, and mixed-use development, we are a mid-sized firm with a focus on client service, design expertise, and technical excellence. We create spaces that are beautiful, flexible, and inspired; spaces where people and communities come together.
