"Grace to Rejoice"

Psalm 85:6

Main Point: God's people depend continually upon God's gracious enabling to rejoice in God, which sustains us in all things.

Definition of Revival: The improvement of the human heart to grasp and experience all that God reveals to us through his ordained worship.

Revival and Rejoicing are inseparable.

Revival and Rejoicing are a Christian necessity.

Conclusion:

God is good and can be trusted to give his children all that they need.
