

Happy Holidays!

As 2017 comes to a close, our hearts are filled with gratitude for the many acts of service you, our wonderful volunteers have provided for older adults in our community. We are especially grateful for your generosity of gifts and time this holiday season. Thanks to your donations, your help packing bags, and your overwhelming response to our plea for help with deliveries, thirty-six of our participants received gift bags packed with essentials and fun surprises.

By year's end, with your assistance, over **2000 trips to medical appointments and 200 grocery trips** will have been provided. Nearly **500 home repair requests** will have been completed. Over **1300 visits for companionship or caregiver respite** will have been made.

None of this would be possible without YOU and your incredible compassion and generosity. Nothing says it better than a note sent by a 92-year-old woman who for fifteen years has experienced first-hand the care of our Faith in Action volunteers.:

I don't see how I could have made it had it not been for you all, Dear Guardian Angels. God bless you all!

Best Wishes for a Joyful Holiday Season and a Happy New Year
