

East Side/Hills

Home Tour Date: Saturday, June 25

Maplet Pick-Up (9am-12pm)

Los Angeles Convention Center
1201 South Figueroa Street
Los Angeles, CA 90015

Architecturally and culturally significant, LA's Eastside is made up of small, trendy neighborhoods that are home to endless boutique shopping and an ever-growing dining scene that includes beautiful outdoor patios, diverse dining experiences and eclectic bars.

The "Hills" refers to the residential area situated within the Santa Monica Mountains that overlooks the city and is known for its breathtaking views and endless maze of windy streets that provides its exclusive residents with a sense of seclusion and serenity.

Black House

Originally built in 1978, builder Scott Harris and designer Jennie Garth did a total transformation to create a beautiful 4,000 square foot, 5 bed, 4.5 bath luxury ...

Trousdale Residence

Originally designed by master architect Rex Lotery in 1960, and restored in 2015 by the architectural firm Woods + Danganan, the Trousdale Residence is located in the storied Trousdale Estates area of Beverly Hills. The project maintained the midcentury vision of the house while updating the finishes and opening up the original layout with a large kitchen and entertaining space. Raised, wood-clad ceilings surrounded by Clerestory windows bring in natural light throughout the entry and main living spaces. The interior space features extensive teak casework and terrazzo flooring throughout.
