

## *April 8th: 60th Annual SSNS AGM*

---

As a voting member of Safety Services you are invited to attend the AGM and Dinner. If you are not able to attend, please indicate by signing your proxy (vote) to the Chair, David MacDonald or to another member in attendance giving 24 hour notice.

At the upcoming AGM, a Special Resolution will be brought forward to change the Memorandum of Association and By Laws of Safety Services Nova Scotia (attached). Your board has been working to bring the bylaws up to date along with advancing the policies of the board of directors and aligning both documents. Please indicate your attendance as soon as possible so that we can plan the meeting and dinner numbers.

We have conveniently scheduled the AGM prior to the Annual Workplace Health & Safety conference. For information on the conference go to: [Conference info](#)

To review the Annual Report and Minutes from last year as well as your current board of directors, please click this [Annual Report & Minutes 2017](#)
