ARTICLE SEVEN – MINISTERS AND MINISTRY

Section One: Establishment of Ministry

A. Sacerdotal Rites and Ministry

1. This District Council recognizes that a divinely called and scripturally ordained ministry has been provided by our Lord Jesus Christ for the fourfold purpose of leading the Church in evangelization of the world, the worship of Almighty God, the building of a body of saints being perfected in the image of His Son, and to demonstrate His love and compassion for all the world. Furthermore, this District Council recognizes the gifts of our Lord Jesus Christ to His Church, including the gifts of ministry of apostles, prophets, evangelists, pastors, teachers, exhorters, administrators, leaders and helpers. Three formal classifications of ministry are recognized and transferable by the Assemblies of God: the ordained minister; the licensed minister; and the certified minister, and provisions are made in this Fellowship for issuance of ministerial credentials to those individuals that have demonstrated their qualifications and dedication in these premises.
2. A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated church under basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the District Council. The local church credential shall be non-transferable (limited to the issuing local church) and shall be limited to 2 years renewable by the local church for an additional 2-year term (up to 4 years total) unless the credential is solely required for active and ongoing local ministry in a prison, hospital or institution. A person holding a local church credential can perform the ordinances and ceremonies (sacerdotal functions) of the church if authorized in writing by the senior pastor of the local church issuing the credential.
3. A fifth classification of ministry, a Ministry Associate, may be provided by the District Council, under guidelines adopted in these Bylaws and such additional guidelines adopted by the Executive Presbytery. The Ministry Associate Commission is an apprentice commission, the purpose of which is to provide young persons who feel called to ministry the authorization to conduct certain ministry, under the supervision of a Licensed or Ordained Assembly of God Minister, for training and mentoring purposes. The Ministry Associate Commission is not a General Council Credential, and does not authorize the holder to unsupervised performance of sacerdotal functions, to serve as a Senior Pastor of a church, to have voting rights in district business, or to legal benefits afforded to ministers (such as housing allowance).
4. Ministers holding General Council credentials are authorized to perform the ordinances and ceremonies (sacerdotal functions) of the church subject to such requirements as the State may allow.
5. This District Council recognizes that the ministry is a calling. Credentialed ministerial status is not a profession, nor is it a trade, nor is it a business for profit, nor is it an occupation in which the minister can have any sort of personal economic or proprietary interest. Ministry involves a personal devotion and commitment to God and the Mission of propagating the Gospel of Jesus Christ, and extending His Kingdom. However, formal Credentialed Ministry within the Assemblies of God fellowship is a revocable privilege and not a right upon which any earthly value can be placed. Therefore, any person who applies for ministerial status through this District Council shall have no legal or inherent right to issuance of ministerial credentials nor any sort of legal or inherent right to continue in ministry or to hold ministerial credentials. Furthermore, those persons who are granted ministerial status and credentials, and those persons involved in other sanctioned ministries within this District Council and its member churches who hold no formal credentials, shall have no proprietary right or economic interest in such ministry or the ministerial status or ministerial credential. A person accepting ministerial status or ministerial credentials or sanctioned service within the institutional church or any program of this District Council, is deemed to have waived all legal

claims in these premises, being subject to these continuing conditions.

B. Classification of Ministerial Credentials

In accordance with the basic requirements of The General Council, recognition of candidates for the ministry in this District Council shall be considered for those men and women who demonstrate a worthy response to an evident call to service and who have been filled with the Holy Spirit according to Acts 2:4, and according to the following classifications:

1. **Local Church Credential:** A local church credential shall be administered by the local church pursuant to basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the District Council. It shall be non-transferable (limited to the issuing local church only).
2. **Certified Ministers** Certified Ministers are those persons who show promise of usefulness in Christian service, who measure up to scriptural standards, and who have met the necessary requirements and have received divine confirmation of their call to actual service and be actively engaged in some aspect of ministry and proclamation of the gospel.
3. **Licensed Ministers:** Licensed Ministers are those persons who have clear evidence of a divine call, character and preparation suitable for that calling, practical ministry experience and an evident purpose to devote one's life in service to the proclamation of the gospel.
4. **Ordained Ministers:** Ordained Ministers are those persons 23 years of age or older who have met the necessary requirements, have been actively engaged as a licensed minister in some recognized aspect of full time ministry and proclamation of the gospel for at least two full consecutive years just prior to ordination, and who have appeared and proven themselves before the District Credentials Board.
5. **Ministry Associate:** Associate Ministers are those persons who are at least 16 years of age and not more than 22 years of age, who are preparing to serve in full time ministry.

7. The candidate shall have demonstrated an adequate knowledge of the scriptures and the great doctrines of the Holy Bible that are held by the Assemblies of God and the ministerial practices of this Fellowship, by completing approved reading courses or other means acceptable to the General Presbytery of the Assemblies of God;

In rare cases the candidate may be recommended by the District Credentials Committee as having given evidence of qualifying for credentials through self study and ministerial experience. 1. The Executive Presbytery of this District Council shall adopt and publish specific criteria and qualifications for consideration of candidates for ministerial credentials. All candidates must meet the minimum standards established in these premises, as hereinabove set forth. Such minimum standards shall include requirement for prescribed courses or equivalent of three parts: the first part shall be required of candidates seeking a Certified Ministry Certificate, the first and second parts shall be required of candidates seeking a Ministry License, and the first and second and third parts shall be required of candidates seeking an Ordination Certificate.
2. A person holding a Certified Ministry Certificate and serving as a senior pastor of an affiliated assembly should seek to qualify for and be granted a Ministry License within two years of first assuming such pastoral role. Failure to do so may disqualify the minister from continuing or serving in a senior pastoral position until granted a Ministry License.

ARTICLE EIGHT – THE LOCAL CHURCH

Section One: The Sovereignty of the Local Church

This District Council accepts it as doctrinal that the local church is recognized as being ordained by God, under the headship of Jesus Christ. It is fundamental with our fellowship that groups of believers associating themselves in local bodies for maintenance of scriptural order, and having a standard of membership in keeping with the scriptural principles and established policies of the Assemblies of God, should be considered as eligible for affiliation with The General Council of the Assemblies of God, as a sovereign local Assemblies of God Church.

Section Two: The Sovereign Assemblies of God Church

- A. A General Council affiliated church is one that has applied for and received a Certificate of Affiliation from The General Council of the Assemblies of God, commonly and herein referred to as a sovereign church.
- B. The sovereign local Assemblies of God church within this District Council shall have the right of self-government under our Lord Jesus Christ, the right to choose or call its Pastor, and, by action of its membership or Church Board as in its own Bylaws provided, to elect its officers and directors, administer discipline to its members, and transact all other business pertaining to its life and ministry as a local church, including the right to own and dispose of its property.
- C. The sovereign local Assemblies of God church shall be separately incorporated, with its own Federal Employers Identification number and, for

Federal Tax Exemption under Internal Revenue Code 501(c)(3), may use and be reported under the group exemption granted by the federal government to The General Council of the Assemblies of God.

- D. It is the responsibility of the District Presbytery of this District Council to determine when a local church has reached a state of growth, stability, and maturity qualifying it for affiliation with The General Council of the Assemblies of God as a sovereign local church.

Section Three: General Council Affiliation

- A. The General Council has established standards for affiliation of the sovereign Assemblies of God local church, which are endorsed and adopted by this District Council as standards for local sovereign churches within the territory of this District Council, by virtue of which each sovereign church and each church that seeks to become sovereign must abide by the following requirements:
1. The sovereign church must accept and endorse the tenets of faith of the Assemblies of God Fellowship, as such are set forth in the Constitution and Bylaws of both The General Council of the Assemblies of God and this District Council, which Tenets of Faith are commonly known as The General Council of the Assemblies of God Statement of Truths.
 2. The sovereign church must adopt a standard of membership which is compatible with the standards and policies of this District Council.
 3. The sovereign church must have and maintain an active voting membership of at least twenty persons, at least eighteen years of age or older, each of whom shall accept their fair share of responsibility for the maintenance of scriptural order in the local church body.
 4. The sovereign church must have a Constitution and Bylaws in form compatible with those recommended by this District Council.
 5. The sovereign church must have an adequate number of spiritually qualified members to fill the offices of that local church as called for in its Constitution and Bylaws, and must be regular and sound in its fiscal responsibilities as supported by financial statements for the two previous years.
 6. The sovereign church must have a senior pastor who is a credentialed minister of the Assemblies of God in good standing whose credentials are registered with this District Council.
 7. The sovereign church must have at least three functioning church departments, one of which shall be a Christian Education Department.
 8. It is recommended that the sovereign church shall have words in its official or corporate name that identifies with the Assemblies of God, and it is recommended that such churches use the Assemblies of God emblem.

Section Four: Responsibilities of the Sovereign Affiliation

- A. By entering into voluntary cooperative fellowship with The General Council of the Assemblies of God each sovereign local church within this District Council has agreed to abide by and be in cooperation with the Constitution and Bylaws of The General Council of the Assemblies of God, as such is now or may from time to time be amended, hereinafter for simplicity occasionally referred to as "General Council Bylaws", for establishment of standards of doctrine and conduct and related regulation as a sovereign local church. In the event of conflict, inconsistency or incompatibility of the local sovereign church's Constitution and Bylaws with the letter or interpretation of the General Council Bylaws, the General Council Bylaws shall prevail.
- B. By entering into voluntary cooperative fellowship and affiliation with The General Council of the Assemblies of God, as a sovereign Assemblies of God church it becomes a member of this District Council, and so assumes the responsibilities of and is entitled to the benefits attendant upon such membership including the right to be represented through its duly appointed delegates at the General Council and the District Council membership meetings, through its delegates who have been selected by the membership of such church or its Church Board. Each such member church agrees to abide by provisions of this Constitution and Bylaws and to comply with and conform to the policies and standards established by this District Council.

Section Five: District Council Assistance

- A. The District Council is available to assist the sovereign local churches in need. If at any time the business of the sovereign church cannot be adequately undertaken and performed by its administrators through the Church Board, or when a proper Church Board is not available or functioning, the District Council should provide assistance, whereby the Executive Presbytery or the Sectional Leadership Committee shall temporarily serve as the Church Board, to so serve until such time as the Executive Presbytery and the membership of that church agree the membership should again resume full administrative control of its affairs. In this regard, neither the District Council nor the Executive Presbytery of the District Council assumes any personal or corporate financial responsibility or legal liability for debt or other obligations of the church in taking such action as may be necessary in these premises.
- B. It is required that the sovereign local church have at least twenty active members at least eighteen years of age. If the active membership of the sovereign local Assemblies of God church falls below twenty in number, it shall seek the assistance of the District Council for help in maintaining the minimal requirement for General Council affiliation. If the minimal number of twenty active members is not sustained, that church shall automatically revert to the status of a District Council affiliated church. That church shall remain in a District Council affiliated status until it again meets the standard for affiliation as a General Council affiliated church, having demonstrated its ability to assume full responsibility for restoration to that status as a viable sovereign church. Unless otherwise arranged, there shall be no financial liability or other affirmative obligation assumed by the District Council in these premises.
- C. The sovereign local church may revert to District Council affiliation. When this occurs, the church corporation is deemed to have surrendered its sovereignty, its Constitution and Bylaws is suspended or set aside, the District Presbytery may choose to transfer its property to the District Council to be held in trust, the District Superintendent becomes the president of the church corporation under authority of the Division of District Churches and District Missions which becomes the Church Board for all business purposes, and the District Executive Officers become the statutory officers of the corporation under regulation of the District Council Constitution and Bylaws.

District sponsored local churches shall be recognized as District Council affiliated churches, under supervision of the Division of District Churches and District Missions in accordance with the District Council Bylaws. 2. Prior to commencement of a new program in this District to be identified as an Assemblies of God church, including the establishment of parent affiliated churches of an established sovereign church, the individual credentialed minister or group of persons desiring to establish such church or the sponsoring local sovereign church must first inform the Church Planting Team of this District Council of their intentions and submit their plans for approval. Such plans should be submitted in writing, identifying the proposed location of the church and demographics relating to need and potential for success of the program.
3. Approval for all new churches including the establishment of parent affiliated churches of an established sovereign church is the responsibility of the District Presbytery upon the recommendation of the Church Planting Team.

Independent churches or established congregations that have been affiliated with other denominations may make application for recognition by and affiliation with this District Council. Such applications shall be considered for approval in the same manner and applying the same criteria as that of new church programs seeking approval. Additionally, the following requirements shall be applied:

1. The applicant church must accept and endorse the Tenets of Faith of the Assemblies of God Fellowship, as such are set forth in the Constitution and Bylaws of both The General Council of the Assemblies of God and this District Council, which Tenets of Faith are commonly known as The General Council of the Assemblies of God Statement of Fundamental Truths.

- D. New Church Programs Resulting from a Division
1. Disputes between factions within the local church should be resolved by mediation. Negotiations in this regard may be entertained by the Executive Presbytery sitting as a Mediation Board.
 2. Groups within the local church or identified with factions of that church, upon refusing mediation of their disputes, or rejecting the recommendations of the Executive Presbytery, jeopardize their status of affiliation with the Assemblies of God.
 3. When efforts to maintain unity and harmony in an assembly have failed, and a division results in a new congregation being formed, the District should exercise strong and wise leadership in ascertaining the facts and seek to preserve Assemblies of God adherents for the Fellowship. Within the bounds of ethical principles, sound doctrine, and District policy, this District should seek to retain any meritorious group within the Assemblies of God.
 4. Circumstances of the occasion would determine whether the minister should be disciplined or denied ministry in either the original church or the dissident group, or even residency in the area where the division occurred. If a minister is guilty of wrong conduct and wrong attitudes resulting in a split, the Executive Presbytery shall deal appropriately with the minister as provided in Article X, Section 3., of the General Council Bylaws. In situations where there has been a division within the church, the Executive Presbytery may determine that under unique circumstances this rule may be waived.
- E. Establishing Sovereignty of the Local District Affiliated Church
- District affiliated local churches may become affiliated with the General Council as sovereign operations, upon approval by the District Presbytery and issuance of a Certificate of Affiliation by the General Council. 1. The local applicant church shall submit to the District Presbytery a written application for sovereignty on approved forms provided by the District Secretary, after having shown that it has met the requirements for affiliation as a sovereign Assemblies of God church in this District, including the following:
 - a. The applicant church must accept and endorse the Tenets of Faith of the Assemblies of God Fellowship, as set forth in the Constitution and Bylaws of both The General Council of the Assemblies of God and this District Council, which Tenets of Faith are commonly known as The General Council of the Assemblies of God Statement of Fundamental Truths.
 - b. The applicant church must adopt a standard of membership which is compatible with the standards and policies of this District Council.

 3. It is the policy of this District Council that the sovereign local church shall be incorporated, and shall not conduct its business as an unincorporated association. Upon approval for sovereignty by the District Presbytery, if the local applicant church is not already legally incorporated as a California or Nevada Nonprofit Religious Corporation, it shall be incorporated, and shall as appropriate acquire tax exempt status from state administrative agencies, and shall undertake whatever other detail tasks as might be related to the incorporation effort. The District may make arrangements for incorporation, but the local church shall pay all the related legal fees, costs, and expenses incurred.
 4. Upon completion of the incorporation and tax exempt qualification, the District Secretary shall transmit the documentation relating to approval for sovereignty for further action by the General Secretary of the General Council. Sovereign status as a General Council affiliated assembly shall not be regarded as complete until receipt by the local church of an official Certificate of Affiliation issued by the General Secretary.
 5. When the District Council affiliated local church becomes sovereign, where real and personal property are held by District for that church, it is generally the policy of this District Council to convey and/or sell to the sovereign church corporation the land and improvements acquired and developed through the mutual endeavor of the congregation and other programs within the District Division of District Churches and District Missions. However, it is generally required that there be specific conditions of such conveyance, providing as follows:
 - a. It is required that there be specific conditions contained in legal documents stating that the property of the sovereign church corporation is irrevocably dedicated to religious purposes and no part of the net income or assets of the corporation shall ever inure to the benefit of any director, officer or member thereof or to the benefit of any private person, and in event that church shall cease to exist and upon the dissolution or winding up of that corporation, after paying or otherwise adequately securing or providing for the debts and obligations of that corporation, the remaining assets shall be distributed to this District Council; and,
 - b. Further providing the condition that all equity in the property by this District Council or any of its departments or ministries shall be wholly recovered, and in this regard:

- 1) The newly sovereign church shall cause to be duly executed proper forms of promissory notes and trust deeds securing purchase price, each having priority subordinate only to prior encumbrances of record at the time of conveyance, and as follows.
- 2) The primary promissory note and trust deed shall be a demand note containing a conditional acceleration clause, plainly stating that in event such church shall cease to be affiliated with the General Council or this District Council, then at the demand of the holder thereof the whole amount of balance due on same shall become immediately due and payable. The principal amount of such demand note shall be for the full reasonable fair market value of the property including improvements, at the time of conveyance, less any prior encumbrances due to third parties, with interest at the rate of ten percent per annum compounded annually from the date of execution of such promissory note. In no event shall the amount charged for interest in this regard exceed the maximum rate allowed by law. The fair market value shall be established in the amount of the insured value of the building and contents established by the District's insurance broker based on 100% replacement cost plus the current year's fair market value of the land established by the county tax assessor.

Section Eleven: Parent Affiliated Churches

In addition to General Council affiliated and District Council affiliated churches, the District Council may also list in the District Directory a third category of churches: Parent Affiliated Churches. Parent affiliated churches shall be sponsored and supervised by the sovereign church, and may not be existing General Council affiliated or District Council affiliated churches.

A parent affiliated location sponsored by a sovereign church may be listed in the District Directory as being a parent affiliated church, under supervision of the sovereign sponsoring church, according to the following provisions: The sovereign church assumes all oversight of the parent affiliated church; the pastor and board of the sovereign church are the legal pastor and board of the parent affiliated church; the sovereign church is the owner of the parent affiliated church's property; and the sovereign church is responsible to provide administration and oversight to the parent affiliated church's finances, ministries, personnel, and activities. In this respect, the parent affiliated church is considered a department of the sovereign church and is not under the direct oversight of the District Council and shall not have privileges accorded to a District Council affiliated church or right to appoint a delegate to the District Council. All proposed resolutions that are to be entertained by the membership at any special meeting shall be set forth in writing as part of the notice of time and place of such meeting.
- C. Criteria to be used by the Resolutions Committee in determining the propriety of proposed resolutions shall include determinations of whether or not the proposed resolution is in conflict with the statutes and other laws of the State of California or the State of Nevada, whether the proposed resolution is compatible with the Constitution and Bylaws or other directives of the General Council, whether the proposed resolution is incompatible with the Constitution and Bylaws and policies of this District Council, and whether such proposals are for other reasons unacceptable.
- D. Notwithstanding the foregoing rules, Emergency Resolutions may be presented in writing to be considered by the Resolutions Committee for presentation to and at the pleasure of the voting constituency by its simple majority vote.

Section Two: Author Subscription

The author of any resolution submitted for adoption by the membership at any District Council Convention shall personally sign the resolution

and is expected to open discussion of same on the convention floor.

**ARTICLE FIFTEEN – EDUCATION DEPARTMENTS:
NONDISCRIMINATION POLICY**

There may be Educational departments or programs established within or under supervision of this District Council, by special resolutions of and under direct administration or supervision of the District Superintendent or his or her designees, having name or names assigned to such departments or programs, and officers and subordinate administrators for the conduct of their respective business, as the Executive Presbyters shall authorize by such special resolutions, for the operation of pre-school, grammar school and high school, college or other educational programs; and, there shall be a policy of nondiscrimination within these departments, admitting students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the schools. This organization shall not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship or loan programs, or athletic and other school-administered programs.

ARTICLE SIXTEEN – RESOLUTION OF DISPUTES

It is the policy and standard of this District Council to avoid conflicts involving lawyers, courts and judges, and to resolve disputes in the way provided by the Scriptures, and in the manner following:

Section One: Disputes between Individuals, and Local Churches

- A. Grievances or disputes between individuals within our Assemblies of God fellowship, or involving a member or attendee of a local church, should be first negotiated between the disputants in good faith and Christian deportment. For failure of satisfactory negotiation between them, the matter should be then submitted to the Pastor of that local assembly for mediation. Domestic relations problems or other disputes within a family, if they cannot be resolved by pastoral mediation, should not be further entertained in the ecclesiastical forum, but might be referred to a qualified Christian Counselor. Disputes that cannot be resolved by Pastoral mediation should be referred for further mediation by the Sectional Presbyter for the section in which the dispute arises, for mediation or decision. If the Sectional Presbyter is unable to mediate a satisfactory disposition, the disputants or either or any of them may make written request for further mediation of their disputes by the District Superintendent of this District Council or the District Superintendent's designee. Copies of such written request shall be provided to such Sectional Presbyter and each of the other disputants, and such written request shall contain a succinct and brief recital of the nature of the dispute and the extent and nature of any ensuing harm. Should the District Superintendent or the District Superintendent's designee be unable to resolve the matter by such mediation, either or any of the disputants may request binding arbitration. The formal written request for binding arbitration shall be addressed to the District Superintendent in care of the District Council office, and if the District Superintendent approves the request, he shall refer the matter to the District Council Executive Committee for arbitration. Such arbitration shall be conducted by a panel of spiritually qualified persons chosen by the Executive Committee of the District Council to serve as the Arbitration Panel. The written request for arbitration of the dispute should contain a succinct but brief recital of the nature of the dispute and the extent and nature of any ensuing harm, and at the election of the District Superintendent copies may be sent to the Sectional Presbyter and each of the other parties.
- B. In event the matter is taken to arbitration, the Panel of Arbitrators shall fix such reasonable rules and regulations, and a convenient time and place, for the conduct of arbitration of the dispute, as the Arbitration Panel deems just and proper for the parties to present their respective positions before the Panel, so that good manners, propriety and prudence be preserved. In no event will either party be allowed to have an attorney represent the individuals in the matter or speak on the individual's behalf, though each party should be allowed to have the assistance of a minister or layperson from a local Assemblies of God church in this District to assist in presentation of respective positions. In matters resolved by the Sectional Presbyter or District Superintendent or the Arbitration Panel without further action, same shall be treated as privileged, and any record of mediation or arbitration proceedings shall be sealed and not available to any third party or otherwise except upon written mutual consent of the disputants. There shall be no other remedy between the parties beyond those herein provided, and by presenting their matter to the Arbitration Panel for consideration the individuals involved shall be deemed to have made an election and agreement for binding arbitration and to abide by the provisions of this paragraph. It is intended that these provisions will resolve misunderstandings and help to quiet personal grievances, so to promote peace and harmony within the churches in this District Council. It is not contemplated that these procedures apply to legitimate claims for physical injuries or physical damage to real or personal property, or in lieu of civil remedies arising out of accidents.
- C. There shall be no legal liability of any kind by any party or faction against the District Council or any of its officers or agents, nor against the Arbitration Panel or any of its members, arising from mediation or arbitration of such disputes. By having elected to join in the arbitration each party shall be deemed to have waived any legal claims in these premises.

Section Two: Disputes Involving a Church or Church Board

- A. Disputes involving individuals or factions within or against a local church or the entire membership of a church, or the church corporation or its officers, shall be resolved by binding arbitration.
- B. The forum for arbitration of disputes concerned in this Section is the District Council; and, the arbitration panel shall be comprised of three persons, who shall be appointed by the District Superintendent from among the District Presbytery.
- C. The arbitration panel shall set a time and place for hearing of the dispute between the parties, with proper notice and opportunity for each to be heard and present their respective positions, and shall fix reasonable guidelines, rules and regulations, and a convenient time and place, for presentations by the parties, as the panel deems just, proper and fair. The arbitration panel may require each faction to present written recitals outlining their grievances, which writings should be addressed only to the arbitration panel, and shall not be provided for opponents or third parties to see, unless the arbitration panel requires as part of its guidelines that copies be so provided. In no event shall the writings or any written or other decision be published by the parties or the arbitration panel.

- D. In no event shall any party to the arbitration be allowed to be represented by an attorney or to have any lawyer speak on their behalf, though each party should be allowed to have a credentialed Assemblies of God minister or layperson from an Assemblies of God church in the District to aid in preparation and presentation of respective positions.
- E. The determination and award, or other disposition made by the panel of arbitrators, shall be final and conclusive, and binding upon the parties, from which there shall be no appeal.
- F. There shall be no legal liability of any kind against the District Council or any of its officers or agents, nor against the Arbitration Panel or any of its members, arising from mediation or arbitration of such disputes.

Section Three: Disputes between Persons or Factions and the District Council

Disputes and grievances by the individual minister members of this District Council or any member church or other person within the District Council against or adversely affecting the District Council shall be resolved by binding arbitration, by submitting same to the General Secretary of The General Council of the Assemblies of God, Springfield, Missouri, for resolution according to such rules and regulations as are set, and in accordance with the Bylaws of the General Council, as such Bylaws are now or from time to time may be amended. The determination made by the General Secretary or designees shall be final and binding between the parties, from which there shall be no appeal.

ARTICLE SEVENTEEN – AMENDMENTS TO THE BYLAWS

Amendments to these Bylaws may be made at any regular or special meeting of the District Council membership, only by vote of the active and registered voting members, provided the full text of same shall have been submitted in advance of the meeting for review by the District Presbytery, in accordance with procedures set forth in the Bylaws, with affirmative vote of two-thirds majority.

ADDENDUM

The General Council of the Assemblies of God

STATEMENT OF FUNDAMENTAL TRUTHS

General Council Constitution, Article V.

Revised 2009

**ARTICLE V.
STATEMENT OF FUNDAMENTAL TRUTHS**

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us (i.e., that we all speak the same thing, 1 Corinthians 1:10; Acts 2:42). The phraseology employed in this statement is not inspired or contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it contains all biblical truth, only that it covers our need as to these fundamental doctrines.

1. The Scriptures Inspired

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (2 Timothy 3:15-17; 1 Thessalonians 2:13; 2 Peter 1:21).

2. The One True God

The one true God has revealed himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed himself as embodying the principles of relationship and association as Father, Son, and Holy Spirit (Deuteronomy 6:4; Isaiah 43:10,11; Matthew 28:19; Luke 3:22).

The Adorable Godhead

(a) Terms Defined

The terms *trinity* and *persons*, as related to the godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God, who is One Lord, as a Trinity or as one Being of three persons, and still be absolutely scriptural (ex., Matt. 28:19; 2 Cor. 13:14; John 14:16,17).

(b) Distinction and Relationship in the Godhead

Christ taught a distinction of persons in the godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Spirit, but that this distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained (Luke 1:35; 1 Cor. 1:24; Matt. 11:25-27; 28:19; 2 Cor. 13:14; 1 John 1:3,4).

(c) Unity of the One Being of Father, Son, and Holy Spirit

Accordingly, therefore, there is **that** in the Father which constitutes Him **the Father** and not the Son; there is **that** in the Son which constitutes Him **the Son** and not the Father; and there is **that** in the Holy Spirit which constitutes Him **the Holy Spirit** and not either the Father or the Son. Wherefore, the Father is the Begetter; the Son is the Begotten; and the Holy Spirit is the One proceeding from the Father and the Son. Therefore, because these three persons in the godhead are in a state of unity, there is but one Lord God Almighty and His name one (John 1:18; 15:26; 17:11,21; Zech. 14:9).

(d) Identity and Cooperation in the Godhead

The Father, the Son, and the Holy Spirit are never **identical** as to **person**; nor **confused** as to **relation**; nor **divided** in respect to the godhead; nor **opposed** as to **cooperation**. The Son is **in** the Father and the Father is **in** the Son as to relationship. The Son is **with** the Father and the Father is **with** the Son, as to fellowship. The Father is not **from** the Son, but the Son is **from** the Father, as to authority. The Holy Spirit is from the Father and the Son proceeding, as to nature, relationship, cooperation, and authority. Hence, no person in the godhead either exists or works separately or independently of the others (John 5:17-30,32,37; 8:17,18).

(e) The Title, Lord Jesus Christ

The appellation *Lord Jesus Christ* is a proper name. It is never applied in the New Testament either to the Father or to the Holy Spirit. It therefore belongs exclusively to the **Son of God** (Romans 1:1-3,7; 2 John 3).

(f) The Lord Jesus Christ, God With Us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is, therefore, acknowledged to be both God and man; who because He is God and man, is "Immanuel," God with us (Matthew 1:23; 1 John 4:2,10,14; Revelation 1:13,17).

(g) The Title, Son of God

Since the name *Immanuel* embraces both God and man, in the one person, our Lord Jesus Christ, it follows that the title *Son of God* describes His proper deity, and the title *Son of Man*, His proper humanity. Therefore, the title *Son of God* belongs to the order of eternity, and the title *Son of Man* to the **order of time** (Matthew 1:21-23; 2 John 3; 1 John 3:8; Hebrews 7:3; 1:1-13).

(h) Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the doctrine of Christ to say that Jesus Christ derived the title *Son of God* solely from the fact of the Incarnation, or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father, and that the Son is a real and eternal Son, is a denial of the distinction and relationship in the Being of God; a denial of the Father and the Son; and a displacement of the truth that Jesus Christ is come in the flesh (2 John 9; John 1:1,2,14,18,29,49; 1 John 2:22,23; 4:1-5; Hebrews 12:2).

(i) Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by himself purged our sins, sat down on the right hand of the Majesty on high, angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Spirit that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all (Hebrews 1:3; 1 Peter 3:22; Acts 2:32-36; Romans 14:11; 1 Corinthians 15:24-28).

(j) Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the **express duty** of all in heaven and on earth to bow the knee, but it is an **unspeakable** joy in the Holy Spirit to ascribe unto the Son all the attributes of deity, and to give Him all the honor and the glory contained in all the names and titles of the godhead except those which express relationship (see paragraphs b, c, and d), and thus honor the Son even as we honor the Father (John 5:22,23; 1 Peter 1:8; Revelation 5:6-14; Philippians 2:8,9; Revelation 7:9,10; 4:8-11).

3. The Deity of the Lord Jesus Christ

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:

- a. His virgin birth (Matthew 1:23; Luke 1:31,35).
- b. His sinless life (Hebrews 7:26; 1 Peter 2:22).
- c. His miracles (Acts 2:22; 10:38).
- d. His substitutionary work on the cross (1 Corinthians 15:3; 2 Corinthians 5:21).
- e. His bodily resurrection from the dead (Matt. 28:6; Luke 24:39; 1 Cor. 15:4).
- f. His exaltation to the right hand of God (Acts 1:9,11; 2:33; Phil. 2:9-11; Heb. 1:3).

4. The Fall of Man

Man was created good and upright; for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Genesis 1:26,27; 2:17; 3:6; Romans 5:12-19).

5. The Salvation of Man

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

a. Conditions to Salvation. Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit, being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Romans 10:13-15; Eph. 2:8; Titus 2:11; 3:5-7).

b. The Evidences of Salvation. The inward evidence of salvation is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness (Ephesians 4:24; Titus 2:12).

6. The Ordinances of the Church

a. Baptism in Water. The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Savior and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47,48; Romans 6:4).

b. Holy Communion. The Lord's Supper, consisting of the elements—bread and the fruit of the vine—is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4); a memorial of His suffering and death (1 Corinthians 11:26); and a prophecy of His second coming (1 Corinthians 11:26); and is enjoined on all believers "till He come!"

7. The Baptism in the Holy Spirit

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the endowment of power for life and service, the bestowment of the gifts and their uses in the work of the ministry (Luke 24:49; Acts 1:4,8; 1 Corinthians 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Spirit come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8), a deepened reverence for God (Acts 2:43; Hebrews 12:28), an intensified consecration to God and dedication to His work (Acts 2:42), and a more active love for Christ, for His Word, and for the lost (Mark 16:20).

8. The Initial Physical Evidence of the Baptism in the Holy Spirit

The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Corinthians 12:4-10,28), but different in purpose and use.

9. Sanctification

Sanctification is an act of separation from that which is evil, and of dedication unto God (Romans 12:1,2; 1 Thessalonians 5:23; Hebrews 13:12). Scriptures teach a life of “holiness without which no man shall see the Lord” (Hebrews 12:14). By the power of the Holy Spirit we are able to obey the command: “Be ye holy, for I am holy” (1 Peter 1:15,16).

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Romans 6:1-11,13; 8:1,2,13; Galatians 2:20; Philippians 2:12,13; 1 Peter 1:5).

10. The Church and Its Mission

The Church is the body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her Great Commission. Each believer, born of the Spirit, is an integral part of the general assembly and church of the firstborn, which are written in heaven (Ephesians 1:22,23; 2:22; Hebrews 12:23).

Since God’s purpose concerning man is to seek and to save that which is lost, to be worshiped by man, and to build a body of believers in the image of His Son, and to demonstrate His love and compassion for all the world, the priority reason for being of the Assemblies of God as part of the Church is:

- a. To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:19,20; Mark 16:15,16).
- b. To be a corporate body in which man may worship God (1 Corinthians 12:13).
- c. To be a channel of God’s purpose to build a body of saints being perfected in the image of His Son (Ephesians 4:11-16; 1 Corinthians 12:28; 14:12).
- d. To be a people who demonstrate God’s love and compassion for all the world (Psalm 112:9; Galatians 2:10; 6:10; James 1:27).

The Assemblies of God exists expressly to give continuing emphasis to this reason-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

- a. Enables them to evangelize in the power of the Spirit with accompanying supernatural signs (Mark 16:15-20; Acts 4:29-31; Hebrews 2:3,4).
- b. Adds a necessary dimension to a worshipful relationship with God (1 Corinthians 2:10-16; 1 Corinthians 12-14).
- c. Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ (Galatians 5:22-26; 1 Corinthians 14:12; Ephesians 4:11,12; 1 Corinthians 12:28; Colossians 1:29).

11. The Ministry

A divinely called and scripturally ordained ministry has been provided by our Lord for the threefold purpose of leading the Church in: (1) evangelization of the world (Mark 16:15-20), (2) worship of God (John 4:23,24), and (3) building a Body of saints being perfected in the image of His Son (Ephesians 4:11,16).

12. Divine Healing

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the Atonement, and is the privilege of all believers (Isaiah 53:4,5; Matthew 8:16,17; James 5:14-16).

13. The Blessed Hope

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (1 Thessalonians 4:16,17; Romans 8:23; Titus 2:13; 1 Corinthians 15:51,52).

14. The Millennial Reign of Christ

The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zechariah 14:5; Matthew 24:27,30; Revelation 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezekiel 37:21,22; Zephaniah 3:19,20; Romans 11:26,27) and the establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8; Micah 4:3,4).

15. The Final Judgment

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matthew 25:46; Mark 9:43-48; Revelation 19:20; 20:11-15; 21:8).

16. The New Heavens and the New Earth

“We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness” (2 Peter 3:13; Revelation 21,22).
