

NCN District Disaster Relief Task Force & The Phoenix Project USA Training Matrix:

Training For Level 1 Volunteers: Entry level for anyone wanting to serve as a helper or general volunteer. Their cost to prepare would be \$25.00 and about 10 hours of training. 30 hours total if they take the CERT training with their local fire department.

Required:

- ✓ Introduction to Crisis and Disaster Response
- ✓ ICS 100 - Introduction to the Incident Command System (free online course)
- ✓ FEMA 700 - Introduction to NIMS (free online course)

Recommended:

- ✓ CERT Training – usually free and taught by local fire department. This is a great way for local church people to connect with their fire departments as volunteers when needed.

Training for Level 2 Volunteers: Specialized Volunteer - those with specific skills that would require more training outside the scope of our work, i.e. cooks, chaplains, truck drivers. Their cost for training would be approximately \$175.00 if they add the training through ICISF and their background check costs. Time commitment would be 30 – 50 hours based on courses they complete.

Required:

- ✓ Introduction to Crisis and Disaster Response
- ✓ ICS 100 - Introduction to the Incident Command System (free online course)
- ✓ FEMA 700 - Introduction to NIMS (free online course)
- ✓ Specialized Training - i.e. Chaplains trained in Critical Incident Stress Management.
- ✓ Children's Workers and Youth Workers would have to have background checks completed and on file.

Recommended:

- ✓ CERT Training – usually free and taught by local fire department. This is a great way for local church people to connect with their fire departments as volunteers when needed.

Training for Level 3 Volunteers - Team leaders, Site Leadership - i.e. Feeding and Distribution Leadership Team. Their cost for training would be approximately \$175.00 if they add the training through ICISF and their background check costs. Time commitment would be 40 – 60 hours based on courses they complete.

Required:

- ✓ Introduction to Crisis and Disaster Response.
- ✓ Background checks.
- ✓ ICS 100 - Introduction to the Incident Command System (free online course)
- ✓ ICS 200 – Basic (free online course)
- ✓ FEMA 700 - Introduction to NIMS (free online course)
- ✓ FEMA 800 - A National Response Plan (free online course)
- ✓ Specialized Training for leadership - i.e. Site Management Courses for Distribution or Housing Sites

Recommended:

- ✓ CERT Training – usually free and taught by local fire department. This is a great way for local church people to connect with their fire departments as volunteers when needed.

Training for Level 4 Volunteers - District/Section Leadership. Their cost for training would be approximately \$375.00 if they add the training through ICISF and their background check costs. Time commitment would be 50 – 70 hours based on courses they complete. This

Required:

- ✓ Introduction to Crisis and Disaster Response
- ✓ Background Checks
- ✓ ICS 100 - Introduction to the Incident Command System (free online course)
- ✓ ICS 200 – Basic (free online course)
