Klise will be happy to provide a custom price quote on any design pattern from our library. In order to ensure that accurate pricing is offered, we ask that you simply provide the necessary details highlighted in the box below. As with any custom job, cost is influenced by, specific manufacturing process, species of wood, quality & color sort requirements of the customer, anticipated yield, and overall quantity of product.

**Klise custom production runs begin at a minimum of 100 lineal ft per pattern (or 100 pieces if for Rosette or Overlay products).**

**Lineal Moulding**

Pattern #	Description	Dimensions (face width x thickness)	Wood Species	Specific Lengths	Quantity in Lineal Ft.	Color Sort Requests or other Quality Expectations

**Rosette or Overlay**

Pattern #	Description	Dimensions (face width, or diameter x thickness)	Wood Species	Piece Quantity	Color Sort Requests or other Quality Expectations

**Klise Manufacturing Co.**

 P. 616.459.4283 - F. 616.459.4062 - klisedesign.com

**Custom Wire Mesh Grillework**

Pattern #	Description (Press Crimp, Single Crimp, Double Crimp, Formed Grill, etc.)	Overall Grille Dimensions (height x width)	Reveal Dimensions (See Wire Glossary and FAQ Sheets).	Wire Type & Wire Size  (Flat wire, round wire, reeded, etc + desired wire size; face width x thickness.	Wire Spacing  (Spacing measured center to center).	Color Finish	Total Quantity of Grilles

**If you are seeking a custom quote on a Formed Wire Grille, please send an accompanying shop drawing or CAD drawing for our reference. Drawings should show orientation, mounting preference, rosette placement, rabbet width, etc.**

**Custom quotes for wire mesh grilles are provided on a “one-off” basis and cost is quoted per piece.**
