2018/19 JUNIOR SEASONAL PROGRAMS

Junior Programs

We offer instruction for fifteen weekends including some days during the Christmas holiday week and February vacation week. Programs are designed for kids 4 thru 16 years old, who already ski or snowboard, starting at the lower intermediate level. We offer different programs geared toward certain age groups and within those groups, we might have different groups based on skill development and intensity level. Kids meet at the Junior Seasonal building by the Lower Meadows chairlift. We reserve the right to combine groups when needed. Parents must fill out program specific forms including a Release of Liability on or before their first day of the program. Parents must supply or take children for lunch.

Lil' Grits Alpine (LG)

A program for 4–5yr. old skiers with a focus on mountain safety, developing fundamental skills and lots of indoor & outdoor fun! Kids must be able to ski lower intermediate terrain, like Valley Run, on their own.

True Grits (TG)

A program designed for intermediate or above skiers, 6–12yrs. old. Offering alpine groups with options to telemark. Groups focus on honing the skills of being an all-mountain, all-condition skier. Drills and exercises compliment ever developing skills, while exploring as much of the mountain as those skills allow, including bumps, glades and an occasional run through our Nastar course. Options to try other snowsport disciplines will be offered throughout the season. Multiple groups will be formed on the basis of age, ability & intensity.

True Grits Snowboard *NEW!* (TGSB)

A program designed for intermediate or above riders, 6–12yrs old. Offering snowboard groups. Groups focus on honing the skills of being an all-mountain, all-condition rider. Drills and exercises compliment ever developing skills, while exploring as much of the mountain as those skills allow, including our small terrain parks, bumps and glades. Options to try other snowsport disciplines will be offered throughout the season. Multiple groups will be formed on the basis of age, ability & intensity.

Race Focus (RF)

A specialized group for 8–12yr. old skiers who have an interest in developing fundamental racing skills and drills along with solid,

all-mountain skiing. Expect to ski the whole mountain, ski frequent NASTAR runs, do race drills, and learn race tactics. This program includes a NASTAR Season Pass. This group will have a limited number of participants and must meet an ability standard. Serious racers / competitors should consider the Waterville Valley BBTS program.

Free Ride (FR)

A specialized group for 9–15yrs. old skiers who want to learn the fundamentals of freestyle along with solid all mountain skiing. Ski the glades and bumps, but also learn the basics of freestyle moves and how to safely apply them in our smallest parks. This group will have a limited number of participants and must meet an ability standard.

Teen (T)

A program designed for teens, 13–16yrs. old, who are able to ski or ride all of Waterville Valley's terrain. Skiers, telemarkers and riders are together in a social atmosphere with all of their time on snow. Activities will be varied and take advantage of all the mountain challenges and conditions. Expect to explore every nook and cranny, hit every bump and find new lines in the glades. Maybe an occasional park session or a friendly race through the Nastar course.

Mitey Mites (MM) **Contact for pricing**

Pre-competitive program designed for boys and girls 5–9yrs. old. This program meets at the WVBBS building and is run jointly by Waterville Valley Snowsports and WVBBS programs. For information on fees, club membership and dates go to wvbbs.org. To contact call (603) 236-8601 or email: scooney@wvbbs.org.

Kids Kamps and Childcare

Kamps are for younger beginners or novice skiers who are in need of more basic instruction and are not at the lower intermediate skill level yet. The Kamps feature age appropriate groups & activities and meet at Kids Kamps in the Base Lodge. Participants must have valid season pass. Kamp programs include snacks and lunch.

Mogul Mites Kamp (MVK)

3 years old

Explorers Kamp (EVK)

4–6 years old, skiers and snowboarders

Child Care (CC)

Indoor program for 6 months thru 4 years old

Program Dates & Conditions
