Describe this partnership activity/donation effort and outline partner's role	The Charitable Foundation hosts 50 Aiton elementary school students at FedExField for a holiday-themed winter wonderland experience. Students are served lunch by current Redskins players before they rotate through different stations where they are able to participate in holiday themed games and activities as well as open a brand new present from Santa Claus (based on a previously submitted letter to Santa and the Redskins).	In an effort to make reading more fun for elementary students, the Redskins Charitable Foundation created the Redskins Read Program focusing on a playbook for students to study the Xs and Os of reading! The Redskins Read Playbook provides monthly prompts for students to analyze a book(s) of their choice, focusing on different areas of the story (e.g. characters, setting, plot). This supplemental learning tool incentivizes 4th and 5th grade students by providing monthly prizes and the chance to host a Redskins event with current players at their school in the spring! The program runs from September – March.	TBD	Items for our School Store, part of our PBIS system is for students to be able to shop in the school store with Bear Bucks

Describe this partnership activity/donation effort and outline partner's role	Tutors are paired up with a student that they read with every Saturday morning 10-12 for the duration of the school year.	The Grassroots Education Project board and Reading All-Stars coordinators will begin planning the specific activities in early November, and recruiting volunteers in early December.	Grassroots Education Project will help to build the capacity of the parents of Reading All-Stars' students to support students at home and over the summer by hosting sessions to provide parents: (1) with activities and tips for supporting parent and student literacy, and (2) with information about their student's current level of performance and how that information can be used to set student and parent goals. We kicked this work off with parent orientations on 9/23 and 9/30.	Over the holidays and in the days leading up to the MLK Day of Service, volunteers will be asked to spread the word and solicit donations to be used during Reading All-Stars. In addition, MLK Day volunteers will be asked to bring a donation to the school on that day, if they would like.

Describe this partnership activity/donation effort and outline partner's role	MSE Foundation has brought Power Up DC to Hendley ES. This program is a physical fitness initiative that encourages and inspires students to exercise 60 minutes a day. Once each month, MSE Foundation in conjunction with Athletes for Hope and Explosive Performance, will bring trainers and athletes to Hendley to lead the students in a series of exercises, fitness drills and skills testing. All participating students will receive and wear fitness bands throughout the school year that track their physical activity levels while also measuring perceptions about physical activity at the pre-program, active program and post-program stages.	MSE Foundation provides volunteers for all of the Martha's Table Joyful Food Markets at Hendley throughout the school year.	MSE Foundation provided Wizards backpacks and school supplies for every student at Hendley ES. Wizard Girls and mascot G-Wiz helped distribute the backpacks filled with supplies to the students on the first day of school.	Through our teams' e-newsletters and online social media we are encouraging our fans to purchase books for Hendley ES through an Amazon.com wish list.
