Describe this partnership activity/donation effort and outline partner's role	We wanted to extend an invitation for 10 students from Johnson Middle School to join us at the upcoming Redskins vs. Raiders game on Sunday, September 24 (8:30PM kick-off). This is our annual Play 60 game, as well as our DCPS Partnership Recognition Game, where we will highlight a variety of DCPS schools and programs throughout the game. The 10 students selected would have the opportunity to be a part of the Play 60 Fan Tunnel in the end-zone prior to kick-off – each student will also receive a Play 60 jersey and shorts. I have attached a letter with additional information.	The Washington Redskins Charitable Foundation, in partnership with District of Columbia Public Schools and the American Diabetes Association, will introduce Redskins FITT (Frequency, Intensity, Time & Type) – a youth health & wellness initiative at the start of the 2016-2017 school year. Redskins FITT is designed to encourage a healthy lifestyle and assist 7th grade students in the development of a personalized 2-week fitness plan.	Our feeder school visit and go the expectations for middle school and discuss partnerships.	We would love to set up a dance studio for our scholars. We would love for the redskins to help with establishing a place where our scholars can learn how to dance.

Describe this partnership activity/donation effort and outline partner's role	This is our Attendance/Truancy Incentive Program KMMS (similar to most DCPS) struggles with student attendance. As a result, JWFF will host an end of the year school dance (possibly a silent dance/party). Students work toward perfect attendance criteria (mutually agreed upon by KMMS & JWFF). Those that meet the mark are able to attend this exclusive dance. For example: Students must get perfect attendance for 3 out of 6 months of the program's duration OR Students must get perfect attendance for 4 out of 6 months of the program's duration. Program begins Dec 1st thru May 31st and the EXCLUSIVE Dance will be held in June 2018. DJ's will be provided by JWFF along with other special surprises. Party will be held at the school's gymnasium.	KMMS operates under an extended year school calendar as a result there are two intercessions, where students have the opportunity to sign up to for extra academic help: February 20th - 23rd & April 2nd - 6th. Each session can hold a max of 200 students. In an effort to help the staff with student signups, JWFF will offer two tickets to a game for students that sign up & get perfect attendance at each intercession. JWFF will provide a maximum of 400 tickets for each intercession to a March and April Game.	JWFF will help KMMS gather adult volunteers for the school's spelling bee and science fair.	JWFF will donate uniforms to KMMS to add their school uniform bank.
