

March 2018

Volunteer Auxiliary of Advocate Good Shepherd Hospital
450 West Highway 22
Barrington, IL 60010

Greetings!

Please join us in supporting the quality healthcare we have come to enjoy in our local Barrington and surrounding communities as provided by Advocate Good Shepherd Hospital.

We are proud to celebrate the **44th Annual Art in the Barn** on Saturday September 22nd and Sunday 23rd, 2018.

This event is led by a dedicated Art in the Barn community volunteer team which supports this fund raising event for the Volunteer Auxiliary of Advocate Good Shepherd Hospital. This partnership supports this annual event with over 400 community and hospital volunteers each year. But your generous monetary support is also needed.

This juried fine art fair began as a modest fundraiser on the grounds of Good Shepherd before the hospital we know today was built. It has since become the largest and most important fundraiser for the Volunteer Auxiliary of Advocate Good Shepherd Hospital bringing community art lovers together with more than 180 recognized and emerging local and national artists. This fundraiser represents the strength of our community support for our local hospital.

Proceeds of more than \$70,000 from the 2017 event are being used to help underwrite the hospital's Modernization Campaign. The 2018 event will continue to support these important initiatives:

- An expansion allowing patients to receive care in their own private rooms
- A Conference Center for up to 150 people with updated communications technology providing a full range of programs, forums, training and community educational events
- Ongoing support of our educational initiative providing health care scholarships to the greater Barrington and surrounding area students
- Craft items used by volunteers who create various patient comfort items such as pillows, food tray favors, and baby items, etc.

We welcome your tax deductible donation. Please select your level of sponsorship from the attached list of options. Your ad on our website, Facebook page and program brochure helps accomplish our goal and exposes your business to the thousands of people who attend our wonderful community event. All levels of participation are greatly appreciated.

Thank you for your support!
